SEWP Overview

NASA SEWP (Solutions for Enterprise-Wide Procurement) provides the latest Information Technology, Communication, and Audio-Visual (ITC/AV) solutions and services for all Federal Agencies and their approved contractors. SEWP is a multi-award GWAC administered by the NASA SEWP Program Management Office. Orders under SEWP are placed by the issuing agency's Contracting Officer against a Contract Holder's SEWP contract.

Fair Opportunity

Contractors will be provided a fair opportunity at the individual order level as appropriate per FAR Part 16.505(b), including the SEWP RFQ tools. No documentation for the order selection is required to be submitted with the order. All such documentation is to be maintained by the issuing procurement office. The full Fair Opportunity clause (A.1.13) is posted on our SEWP web page.

How to Order

1. Request a quote through the NASA SEWP RFQ on-line quoting system (sewp.nasa.gov), or contact ITI Systems directly at the contacts below.
2. ITI Systems responds with a quote on ITI Systems paper. Every quote states its validity period, and each line item is marked with its Trade Agreements Act (TAA) compliance status.
3. The issuing Contracting Officer places the order against contract 80TECH26D0661, referencing the ITI Systems quote.
4. Once an order has shipped, ITI Systems provides the shipment tracking number via the SEWP Contract Holder Order Processing (CHOP) system.
