

Our Topic: The Challenge of Woke Ideology to Spiritual Life

Ideology is a poison to the human soul, for people of all walks of life and political views. In this talk, Father Turbo will address the gnostic and New Age underpinnings of modern ideologies, including the pervasive “woke” movements, and the gulf that separates them from the timeless holiness of Christ and His Church. How should and Orthodox Christian think and feel about the slogans we hear? How should we respond? How do we recognize truth and falsehood? When and where does an Orthodox Christian remain quiet – and when does he or she take a stand?

We welcome back our beloved Father Turbo Qualls for a second year in a row – back by popular demand – to address one of the most relevant questions for Christians living in our age.

All Saints of North America Orthodox Church

All Saints of North America Orthodox Church is the first English language Orthodox parish in the Hamilton area, with parish members from throughout southern Ontario, Kitchener-Waterloo, Hamilton, Toronto, Halton, Peel and Niagara.

The mission was started in 2000 with a couple of individuals gathering for prayer and study, and has grown into a small but thriving Orthodox community.

Our parish offers special opportunities for Orthodox Christian education for young people and adults, including Orthodox Coffee Talks, monthly Question Hours, and the annual Orthodox Institute on the Family.

The Orthodox Spirituality Series is part of sharing the fullness of Truth with others who seek it, and aiding in the salvation of each human soul.
