# FLORIDA REHABILITATION COUNCIL FOR THE BLIND

December 30, 2025

U. S. Department of Education, OSERS  
Rehabilitation Services Administration  
Attn: Mary Williams  
400 Maryland Avenue SW  
Washington, DC 20202-2800[RD1]

Dear Ms. Williams:

The Florida Rehabilitation Council of the Blind respectfully submits its Annual Report as required by Section 105(C) (4) of the 1992 Amendment to the Rehabilitation Act. In accordance with 34 CFR 361.17, a copy of this report has been submitted to the Florida Governor's Office.

This report presents our activities for the 2024-2025 federal fiscal year to the Florida Division of Blind Services.

As the chair of the Council, I would like to offer my appreciation and gratitude to the Division of Blind Services for its excellent support, and the council members for their diligence and contributions in serving Floridians with visual impairments.

If you have questions regarding this submission, please contact Brandis Hall assistant to the council at 850-245-9305.

Sincerely,

Jorge Hernandez, Chair  
Florida Rehabilitation Council for the Blind

JH/bh

cc: Governor Ron DeSantis  
Joe Doney

The Florida Rehabilitation Council for the Blind (FRCB) is pleased to present its annual report for Federal Fiscal Year 2025 (October 1, 2024, to September 30, 2025) to the Governor and other committed stakeholders. In 2025, there was an increased effort on collaboration, planning and advocacy on the part of the Council and the Division of Blind Services (DBS) in order to improve vocational rehabilitation training and employment outcomes for Floridians who are blind or have low vision.

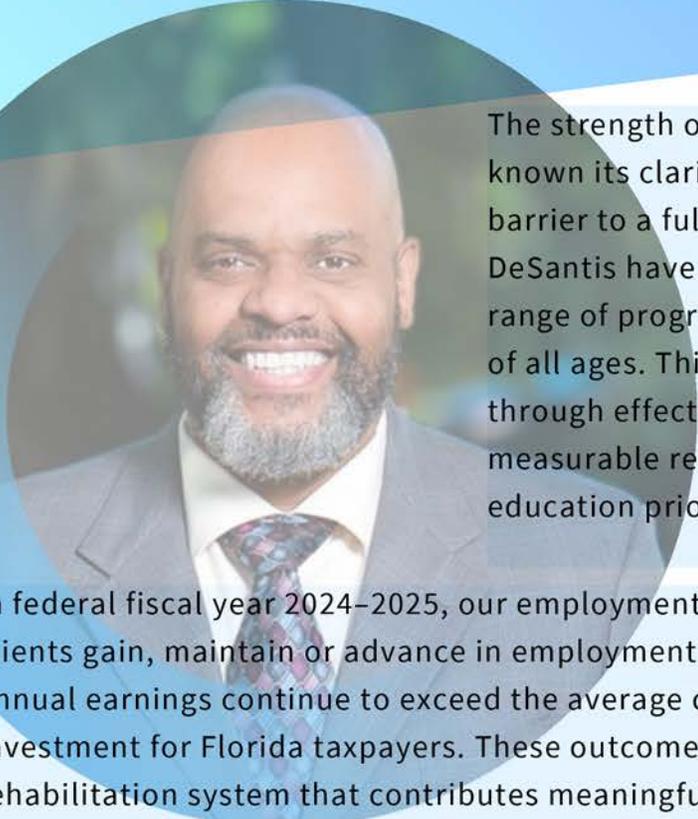

The FRCB elected officers are Jorge Hernandez, Chairman, Doug Ingram as Vice-Chair and Misty Porter as 2nd Vice-Chair. There are currently seven vacancies on the council. The Council continues to encourage individuals to apply and it communicates with the Governor's office for appointments and reappointments to the Council. Recruitment for new applicants will focus on individuals who are enthusiastic, dedicated and interested in improving the lives of visually impaired individuals.

The FRCB has worked closely with DBS in tracking rehabilitation training and employment outcome information and will continue to do so. We are pleased that DBS is able to report significant improvements in these core areas of its responsibilities.

Furthermore, the FRCB has continued to work on behalf of individuals who are blind or visually impaired, and nothing has interfered with our commitment. The FRCB meets in person, while allowing virtual/telephonic options for consumers and members who are unable to travel. FRCB meetings are instrumental in highlighting accomplishments and maintaining awareness about issues related to DBS district offices and community rehabilitation programs. These meetings continue to feature public forums, which give consumers around the state a voice, allowing them to provide input that encourages optimal services.

**Jorge Hernandez**  
FRCB Chairman

## MESSAGE FROM THE DIRECTOR

A circular portrait of Robert L. Doyle, III, a man with a beard and mustache, wearing a suit and tie, smiling. The portrait is set against a blurred background of green foliage.

The strength of the Florida Division of Blind Services has always known its clarity of purpose: to ensure that blindness is never a barrier to a full and self-directed life. The Legislature and Governor DeSantis have enabled us to fulfill this purpose through a wide range of programs and services for blind and low-vision Floridians of all ages. This past year, we focused on delivering that promise through effective services, strengthened operational practices and measurable results that support Florida’s broader workforce and education priorities.

In federal fiscal year 2024–2025, our employment program served 5,208 individuals and helped 923 clients gain, maintain or advance in employment at an average hourly wage of \$21.68. Projected annual earnings continue to exceed the average cost per case, demonstrating a solid return on investment for Florida taxpayers. These outcomes reinforce the value of a strong vocational rehabilitation system that contributes meaningfully to the state’s economic momentum and talent development efforts.

Through the Business Enterprise Program, 91 blind vendors operated food service facilities across the state, earning an average of \$97,160 annually—a 64% increase over the past decade and a testament to the entrepreneurial capacity of Floridians who are blind. This continued growth aligns with Florida’s focus on expanding small-business opportunities and strengthening pathways to economic self-sufficiency.

Independent living services also remained central to our work. For children beginning their journey, adults navigating major transitions and seniors seeking to maintain dignity and autonomy, DBS delivered specialized services that allow independence to flourish. These programs remain foundational to our mission.

Throughout the year, we worked at strengthening policies, procedures and internal controls across the agency. These improvements support more consistent service delivery, enhance accountability and ensure our programs meet the evolving expectations of Floridians, employers and federal partners.

The Florida Rehabilitation Council for the Blind played an integral role in this progress. Their insight, advocacy and accountability sharpened our priorities and strengthened outcomes, ensuring that services align with the real needs of the Floridians we serve.

Moving forward, we will continue refining our processes, expanding assistive technology capacity and strengthening partnerships across Florida’s workforce system.

**ROBERT L. DOYLE, III**  
**DIRECTOR, DIVISION OF BLIND SERVICES**

## **FRCB MISSION**

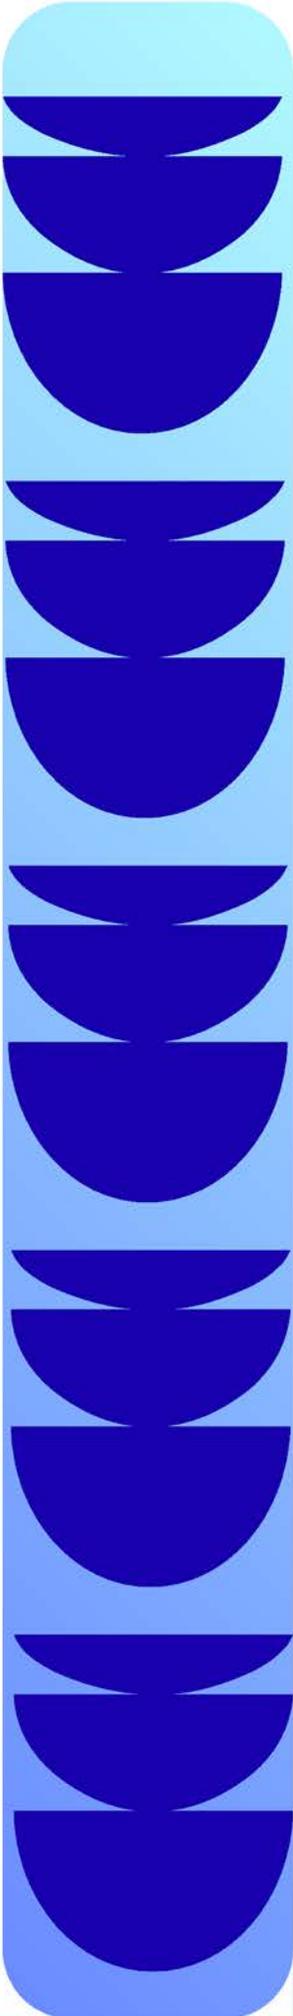

---

The Florida Rehabilitation Council for the Blind reviews, analyzes and advises on policy decisions and evaluates the effectiveness of the Florida Division of Blind Services to ensure meaningful access to and use of vocational rehabilitation and independent living programs for Floridians who are blind or visually impaired.

## **VISION STATEMENT**

---

The Florida Rehabilitation Council for the Blind functions to create a positive impact on the fairness, efficiency and accessibility of services through the evaluation of consumer feedback and the Florida Division of Blind Services' performance.

# Key Activities

Federal Fiscal Year 2024 - 2025

FRCB

- The Florida Rehabilitation Council for the Blind (FRCB) continues to review, analyze and advise on policy decisions and evaluate the effectiveness of the Florida Division of Blind Services to ensure meaningful access to and use of vocational rehabilitation and independent living programs for Floridians who are blind or visually impaired. The FRCB functions create a positive impact on the fairness, efficiency and accessibility of services through the evaluation of consumer feedback and the Florida Division of Blind Services' performance.
- During FFY 2024-2025, the FRCB held four hybrid meetings. Jacksonville on November 7-8, 2024, Tallahassee on January 30-31, 2025, Gainesville on May 8-9, 2025, and Daytona on July 24-25, 2025.
- The Council recognized employers who hire individuals with visual impairments by presenting each with a plaque during the quarterly meetings. The following employers were recognized for 2024-25: MV Transportation, Inc., Target, Culver's and Stone Soup Community Development Inc.
- The Council collaborated with other organizations of and for the blind to plan for interaction with the state legislature which took place in February of 2025. With a successful visit, the collaboration amongst organizations increased, and plans for further interactions will take place in January 2026.
- The Council received vital reports from Disability Rights Florida that provided efficient information on the Client Assistance Program at each quarterly meeting.
- The Council toured the Elder Care of Alachua County, Inc., and Career, Technology, and Training Center for the Blind and Visually Impaired.
- Council members participated in the National Coalition of State Rehabilitation Councils (NCSRC) Spring 2025 training conferences.
- The Council continued to oversee the development and implementation of the Client Satisfaction Survey (CSS). The FRCB contracts with Florida State University Survey Foundry to conduct the CSS. The SFY 2024/2025 Annual Client Satisfaction Report can be found on the DBS website.

## **Paul Edwards, Jacksonville** **Business/Industry/Labor**

Paul Edwards is one of the representatives of business/industry/labor on the Florida Rehabilitation Council for the Blind. A native of San Francisco, Paul Edwards was born with very little light perception, which soon led to total blindness.

He graduated from high school and completed his Bachelor Degree in History with special honors at the Mona Jamaica campus of the University of the West Indies. He was the first blind student to attend the college. He later earned his graduate degree in International Relations.

Mr. Edwards taught at a small school in a rural area of Trinidad. After one year, he became the senior history master at Trinity College, the leading Anglican School for Boys in Trinidad and Tobago. Near the end of his teaching career, he earned a graduate degree in Education from the University of the West Indies in St. Augustine, Trinidad. When he left Trinidad, he moved to Florida where he worked for the Division of Blind Services as a rehabilitation teacher. In this job, he went to homes and taught people skills that would enable them to adjust to visual impairment. After three years, he became a rehabilitation counselor and worked mostly with high school and college students. In 1983, he moved to Jacksonville to take over as executive director of an agency serving the blind. In 1986, he moved to Miami to serve as the Director of Services to Students with Disabilities on the North Campus of Miami-Dade College, where his staff served more than 700 disabled students a year. He retired in May of 2012.

Mr. Edwards has worked at the local, state and national levels to advocate for persons who are blind. He currently serves on the Florida Rehabilitation Council for the Blind and the National Accreditation Council Board, and holds several positions within the American Council for the Blind and its Florida affiliate.

## **Robert Kelly, Daytona** **Business/Industry/Labor**

Robert Kelly is a business/industry/labor representative on the Florida Rehabilitation Council for the Blind.

He is a certified rehabilitation counselor with more than 30 years of experience in direct service provision and administration of services for people who are blind and visually impaired. Mr. Kelly previously served as executive director for the Florida Lions Conklin Center for the Blind in Daytona Beach, Florida.

# COUNCIL MEMBERS

## **Patricia Lipovsky, Daytona Beach Former Client Representative**

Patricia Lipovsky is a representative for former clients on the Florida Rehabilitation Council for the Blind. A native of New Jersey, Ms. Lipovsky advocates for people with disabilities throughout the state of Florida, as well as her local community, encouraging equal accessibility and opportunity for all, and is also the proud mom of three children and six grandchildren. Although she considers herself to be retired, for the most part, she enjoys dabbling in real estate and property management, which she has done for several years.

In addition to serving on the FRCB, Patricia also served on the Florida Independent Living Council for several years, was the President and Treasurer of the Handicapped Adults of Volusia County and currently serves as the Vice-President of the Coalition and Concerns of the Totally Blind. Ms. Lipovsky also serves on several local committees, including the Citizens Advisory Committee for Volusia County and the Transportation Disadvantaged Local Coordinating Board for the Votran transportation company of Volusia County. In addition to her role on several committees in her local community, she serves as the Treasurer of the Friends of Library Access, which supports the Braille and Talking Book Library in Daytona Beach by providing audiobooks to the visually-impaired throughout the state of Florida. She is also a member of the Lions Club and serves on two state committees of the Florida Council of the Blind.

Her mission is to help people, wherever and whenever she can. Her favorite quotes are “Where there is a will, there is a way,” and “If God brings you to it, he will bring you through it.”

## **Misty Porter, St. Augustine Parent Training and Information Center**

Misty Porter serves as Parent Liaison for the Florida School for the Deaf and the Blind (FSDB) in St. Augustine, Florida. She relocated her family in 2009 after determining Florida to be the best state in the nation to raise her young child with vision loss. Through employment at FSDB, Misty can support her passion for working with families of children with sensory loss. Ms. Porter works with a variety of stakeholders to assure that families are aware of and have access to the necessary information, supports and resources to promote the achievement of student academic goals and lifelong learning.

Ms. Porter has more than a decade of experience working with families of young children with exceptional needs and has a passion for supporting early intervention and early learning programs. Before joining the team of experts at FSDB, Ms. Porter was employed as a service coordinator through the Early Steps Program. She has served on the Florida Coordinating Council for Infants and Toddlers, an advisory council for the Florida Early Steps Program that provides strategic programmatic recommendations to support positive outcomes for Florida families.

Ms. Porter is a State Certified Trainer for INSITE and VIISA curriculums and provides training and information to professionals in early intervention working with families of children with sensory loss. She is a Parent Advisor with the Parent-Infant Program at FSDB and often provides training for her peers and coworkers. She co-authored "The Guide to Developing a Parent Empowerment Program" in collaboration with Florida's Early Hearing Detection and Intervention agency.

Her degree in sociology from Valdosta State University prepared Ms. Porter to understand how social-based organizations work and to apply that knowledge to support the families and communities that she serves. Ms. Porter partners with education and resource-based programs throughout the state. She often presents at conferences and workshops such as Florida's Family Café and EHDI. As a mother of three children, two of whom have vision loss, Ms. Porter understands firsthand the positive impact a strong community, rich with quality programs and accomplished mentors can have on the success of the upcoming youth in the blind community.

## **Bruce Miles, Marco Island Disability Advocacy Group**

Bruce Miles is an Advocacy Group representative on the Florida Rehabilitation Council for the Blind. He moved to Florida from Chicago, Illinois, in 1972, along with his wife, Sheila, and son, Troy. He has been actively engaged in the real estate business on Marco Island since 1974. Mr. Miles owned and operated Gulf Coast Realty of Marco Inc., for many years and is now associated with Anchor Real Estate of Marco

In addition to serving on the FRCB, Mr. Miles is also the treasurer of the Blind Services Foundation of Florida. He is a charter member and past president of Marco Island Area Association of Realtors. He was past president of the Marco Island Multi List Inc. Mr. Miles has served on many committees with the Florida Association of Realtors and was chair of the Professional Standards and the Resort and Second Home committees.

He is very active on the local level, including serving as the director of the Marco Island Fair Water Defense Fund committee, which negotiated a buyout of the local water utility. He is a six-term past president of the Marco Island Lions Club, currently serving as a board member. He is the past director on the board of the Lighthouse of Collier and Florida Lions Conklin Center.

Mr. Miles is no stranger to the Division of Blind Services. He served on their advisory council from 1985 to 1995 and then on the Florida Rehab Council for the Blind from 1995 to 2001. Bruce Miles officially retired from the FRCB in 2024.

## **DBS MISSION STATEMENT**

---

To ensure blind and visually impaired Floridians have the tools, support and opportunity to achieve success.

## **DBS VISION STATEMENT**

---

In partnership with others, create a barrier-free environment in the lives of Floridians with visual disabilities

# Division of Blind Services 2020 - 2025 Strategic Plan Goals

FRCB

## GOAL 1

### Seamless Articulation and Maximum Access

Objective: Create a comprehensive service delivery system that fosters accessibility and provides positive experiences for blind and visually impaired Floridians, enabling them to matriculate from school/training to work. Improve outreach methods to reach more consumers, advocates, providers, employers and other stakeholders.

## Highest Client Achievement

Objective: Coordinate and secure high-quality training, education, work experiences and partnerships that create opportunities for blind and visually impaired Floridians to obtain and maintain independence, post-secondary education credentials and successful employment outcomes.

## GOAL 2

### Skilled Workforce and Economic Development

Objective: Assist blind and visually impaired Floridians with obtaining, maintaining and advancing in competitive integrated employment.

## GOAL 3

### Quality Efficient Services

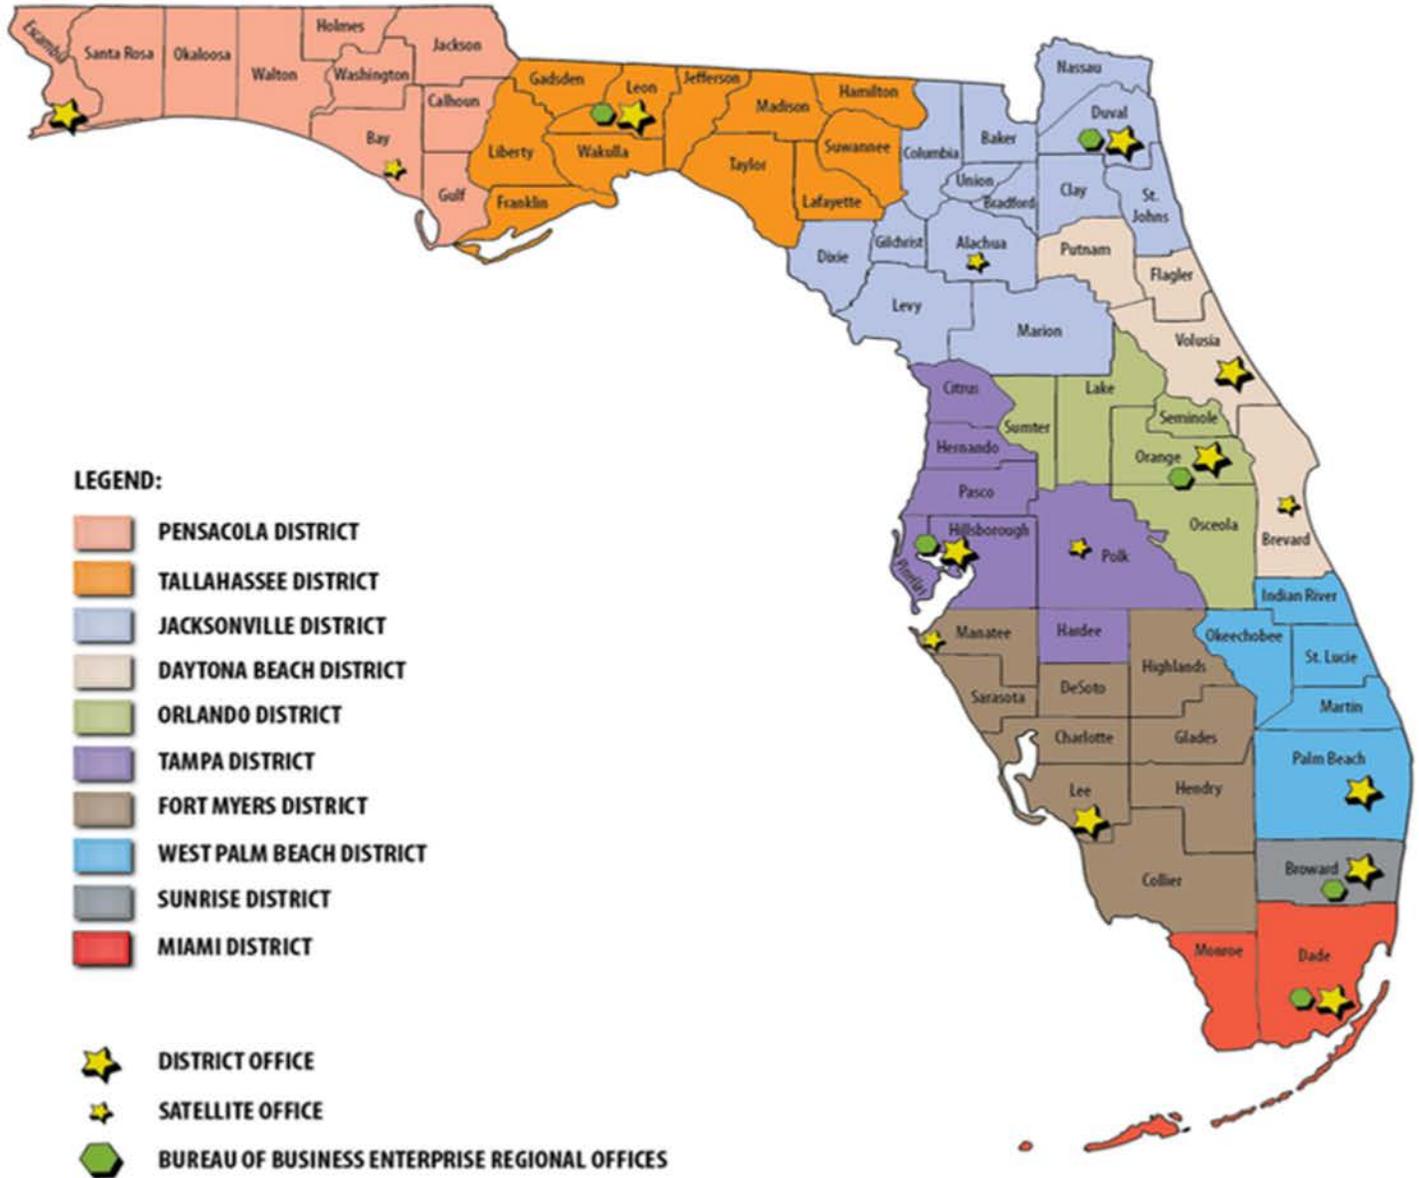

Objective: Create an accountable and exemplary division workforce that ensures high-quality services.

# EMPLOYER RECOGNITION

The Florida Rehabilitation Council for the Blind and the Division of Blind Services annually offers their gratitude to local businesses and employers who support DBS by hiring and showing support toward individuals who are blind or visually impaired by creating a barrier-free environment allowing them to obtain their independence.

The FRCB and DBS presented the Appreciation Awards at each quarterly business meeting. For FFY 2024-2025, the following employers were recognized:

MV Transportation, Inc., Target, Culver's, and Stone Soup Community Development Inc.

**target**

# CUSTOMER SATISFACTION SURVEY (2024-2025)

The survey data below captures clients whose cases were closed between July 1, 2024, and June 30, 2025.

Successful Closures – 535 Clients (61%)

Unsuccessful Closures – 341 Clients (39%)

## **Overall Satisfaction**

### **Client Satisfaction with the DBS program is high.**

To gauge the overall level of satisfaction with the DBS program, former clients were asked if they would recommend DBS services to others. During 2024-25, 92 percent (211 of 229) of the responding clients said “yes” they would recommend DBS services to others. Clients were also asked to rate their overall satisfaction with the program. During 2024-25, 84 percent of the clients (189 of 225) were either “satisfied” or “very satisfied” with the program.

Beginning in 2017, former clients were also asked to evaluate their local service providers separately from DBS. During 2024-2025, 92 percent would recommend their local service provider. When clients were asked to rate their overall satisfaction with their local service provider, 84 percent indicated they were satisfied.

# OUTCOMES

The following graph represents the number of clients served during federal fiscal years 2020-2025. The chart also shows how many obtained employment (successful closures). Customers are continually being served and with the decrease in DBS's vacancies, the number of successful closures has increased this year as expected.
