

MY FRIEND'S BASEMENT

ABOUT THE STUDIO

My Friend's Basement is a full-service podcast studio located in East Williamsburg, Brooklyn. Founded in 2022, we take pride in our hands-on approach to working with clients and our ability to adapt to a wide variety of projects.

OUR EQUIPMENT & SUPPORT

We provide four industry standard podcasting microphones and a mixer for capturing high-quality audio. For video, we have three Blackmagic cameras with 4K capabilities and an in-studio monitor to look at yourself or pull up clips during a recording. We always provide an in-studio engineer for recordings to handle the equipment and make sure your recording runs smoothly.
