Discover independent living with support built in at our Supported Independent Living (SIL) Vertical Village in Rockdale. Just minutes from the heart of Rockdale, our private studio apartments give you your own space, while shared lounges and outdoor areas make it easy to connect with others.

With on-site support staff and access to United for Care's experienced team, you can feel confident your health, medication and daily living needs are understood and supported. St George Hospital, local GPs, pharmacies, cafés, shops and Sydney Airport are all close by.

Key features include:

- Private apartments: each studio has its own kitchenette and bathroom, giving you privacy and control over your day.
- Clinical and daily living support: tailored support plans, medication support and health monitoring, with staff available day and night.
- Spaces to connect: shared lounge and ground-floor courtyard, perfect for socialising, group activities and movie nights.
- Convenient location: a short drive to Rockdale Plaza and Bexley Arcade, with easy access to shops, medical services and public transport.
