## Supported Independent Living in Bondi Junction

This shared SIL home suits adults with psychosocial disability who enjoy community living. Residents have their own studio-style room with basic amenities, and share kitchen, dining and outdoor spaces.

The home has an easy, social feel with casual activities, card games and walks to nearby shops and parks. Westfield, cafés, transport and hospitals are all close by.

### Home features

- Private rooms with bar fridge, kettle and microwave
- Shared kitchen, dining, bathroom and outdoor areas
- Upstairs and downstairs rooms; not wheelchair accessible

### Support

- Mental-health trained staff
- Support with daily living, routines and medication
- Community access with a 1:3 support ratios
