COMPANY PROFILE

"It's good to do good"

MELTAL

GROUP

Meltal IS is part of a business group which is one of the most important companies in the market of non-ferrous scrap metals in this part of Europe. In addition to recycling, it sells products and half-products made of non-ferrous metals, roof sheets and facade plates, trapezoidal sheets and roofing-tinsmith products under the brand METRAPAN.

Quality

We offer top-quality products and services to our customers

Tradition

Our 220 employees and 42+ years of experience enables us to take on the most demanding projects

Sales numbers

Over 420,000 m² of roofs and facades annually
Over 70,000 tons of scrap metal annually

Development

With ongoing development, we ensure 10.000+ satisfied customers
