

PROVISIONAL ITINERARY
MAY 2026

We await details of the Spotters Day (or days) at the 2026 NATO Tiger Meet which is being hosted by the Greek Air Force's 335 Mira on Araxos AB.

This will be a short, sharp visit into Greece for the Spotters Day and then a visit to the Hellenic Air Force Museum. Details in relation to the allocation and application for Spotters Day passes is also not known currently. When the information is released we strongly recommend that you book on the tour and do not wait until you get a Pass. If an airshow is scheduled for the weekend of this event we will explore the viability to extend the tour so we

can attend.

Our final day and on the journey back to Athens Airport, we plan to visit the fantastic collection of aircraft in the Air Force Museum on Tatoi Air Base in Athens.

Tour price is based on a Land-Only basis. You have the option of flying on the same flights as the Tour Manager (details TBC subject to Spotters Day dates) or from your local airport to/from Athens by contacting **Alex** at **H-C Travel** who will book them for you; or booking your own flights to/from Athens. His phone number is: **01256 7717**.

We stay at a hotel as near to the airbase as possible, on a bed and breakfast (B&B) basis. Araxos AB is 180 miles/290km from Athens Airport, a drive of around 3 hours. Travel in-country is by 9-seater mini-van
