REVIVE.

Reviving people with God's presence.

EQUIP.

Equipping people with God's Word.

EMPOWER.

Empowering people to be who
God has called them to be.

OUR MISSION

To Our Revive Family:

What a privilege and honor it is to empower people to grow in intimacy with God. As we carefully consider 2025, our hearts are filled with joy as we reflect on the spiritual health of some of those who call Revive home. We've witnessed the power of discipleship, and we trust that God will continue to bestow grace upon us to faithfully steward those whom He draws to us. As Pastors, our heart resembles the heart of Christ, who made it His assignment to make sure that no one under His care lost faith in our Heavenly Father.

Along with discipleship impact, it truly amazes us to see the difference we've made in the community with an outreach budget considering our church size. We thank you for any and every seed that you've ever sown into Revive. Not only are we able to accomplish outreach efforts that have provided financial relief to families, but it's through your generosity that we are able to have in-person services, take care of daily ministry operations, and so much more!

We are encouraged and eager to see what God does in year three. God's not finished. This is just the beginning.

Love,
Pastors Peter & Faith

DISCIPLESHIP

Impact

***God we thank you for every individual
that has grown in intimacy with You.
May they remain close to your heart.***

Discipleship Impact Story

Since coming to Revive, my hunger for God's Word has truly come alive. Before, I often felt like something was missing. I prayed, but mostly when problems showed up. I found myself stuck in a place where life felt stagnant, and I couldn't understand why nothing seemed to move forward.

I was filling my weekends going out with friends, trying to find joy in moments that ultimately left me feeling even emptier. But everything began to change when I found Revive.

One thing I love about this church is the strong emphasis on daily fellowship with God. Being surrounded by people who genuinely pursue the Lord inspired me to do the same. I started reading my Bible consistently, praying throughout the day, and intentionally seeking God in everything I do and everywhere I go.

There is something powerful that happens when you encounter the presence of the Holy Spirit. It's like a fire ignites inside your heart.

I truly believe the Lord has chosen this church and our pastors to reach people who might otherwise feel out of reach. Whether it's in the workplace, at shelters, or even in everyday places like the grocery store, the love of Christ is being shared.

I am forever grateful to have found my church home, a place that genuinely feels like family. Nothing fills the soul like encountering the Lord, and Revive Church creates an atmosphere where that happens again and again.

Last year, my husband and I had the incredible blessing of having Pastor Peter and Pastor Faith officiate our wedding. It meant so much to us to place God at the center of our marriage, and they helped make that moment truly special.

Like anyone on a faith journey, I still have moments of struggle in my walk with God. But one thing I know for sure is that at Revive, you are never walking alone. This church walks with you every step of the way. Encouragement, love, and support are always present. And for that, I am deeply thankful.

Looking Ahead

From meeting practical needs to sharing spiritual encouragement, 2025 was a year of intentional outreach and meaningful impact. Every act of service—large or small—was rooted in our mission to love people well, restore hope, and reflect Christ in our community and around the world.

Together, we served. **Together**, we gave.

Together, we made a difference all for the Glory of Christ our King. It's all of HIM! Thank you!!

Outreach Impact Story

We are thrilled to share a letter we received from our partner pastors in India. Even amid daily persecution, their faith and dedication continue to shine, making a real difference in the lives of those in their community.

I am truly grateful that God has allowed us to join hands with them in caring for the poor and showing His love. All glory belongs to God, and everything we do is for our amazing Master, Jesus!

Dear Pastor Peter,

Greetings once again from India! We're writing to let you know that we have received your generous financial support.

Thank you so much for your love and partnership in the ministry we are carrying out here in India. Your kindness means more to us than words can express.

I'm also personally grateful for your gift-it truly blessed me, and I deeply appreciate your thoughtfulness.

We want to share that the funds you've sent for the ministry will be used to support flood relief efforts, as many victims are suffering greatly and are in urgent need of help.

Thank you again for who you are to us. We love you, your family, and the entire congregation. Praying God's continued blessings over you all!

Outreach Impact Story

We, as a church, are honored to partner financially in 2025 with Justice Reform—an outreach ministry of Mercy Culture Church in Fort Worth, Texas. They are building a first-of-its-kind residential community that will provide long-term care for up to 100 survivors of human trafficking at a time. Residents will receive care for 1 to 3 years, depending on their healing journey, in an environment focused on restoration, discipleship, and empowerment. Each individual will be equipped and sent out as a reformer into the field they feel called to.

Once the first residence in Fort Worth is completed, the vision is to expand—establishing similar homes across Texas, throughout the United States, and around the world.

According to Justice Reform, there are an estimated 40.3 million victims of human trafficking worldwide each year—yet only about 700 long-term care beds are available nationwide for survivors of commercial sexual exploitation who escape.

Your generosity through Revive in 2025 will help make this life-giving residence possible for survivors.

Thank you for helping us be the hands and feet of our Lord Jesus (Matthew 25:35–40).
