

The background of the slide features a faint, light-colored map of Europe, centered on the continent. The map is rendered in a style that blends with the overall color scheme, which is a gradient of reds and oranges. The map shows the outlines of the major landmasses of Europe, including the British Isles, Scandinavia, and the Mediterranean region.

AboutFP

If It Happens Out There, It's Analyzed in Here

For over 50 years, Foreign Policy has helped its readers dive well below the headlines, anytime, anywhere, to examine the latest policy developments with rigorous analysis and award-winning journalism. It's the edge Foreign Policy subscribers have and use every day to sustain and inform their thought leadership and international influence.

Through its comprehensive coverage, including Foreign Policy Magazine, foreignpolicy.com, FP's newsletters, FP Analytics, FP Insider, FP Studios podcasts, and FP Live, FP provides a deep dive on all things global affairs. We help explain the ins and outs of how foreign policy decisions are being made—and, just as importantly, who is making them.

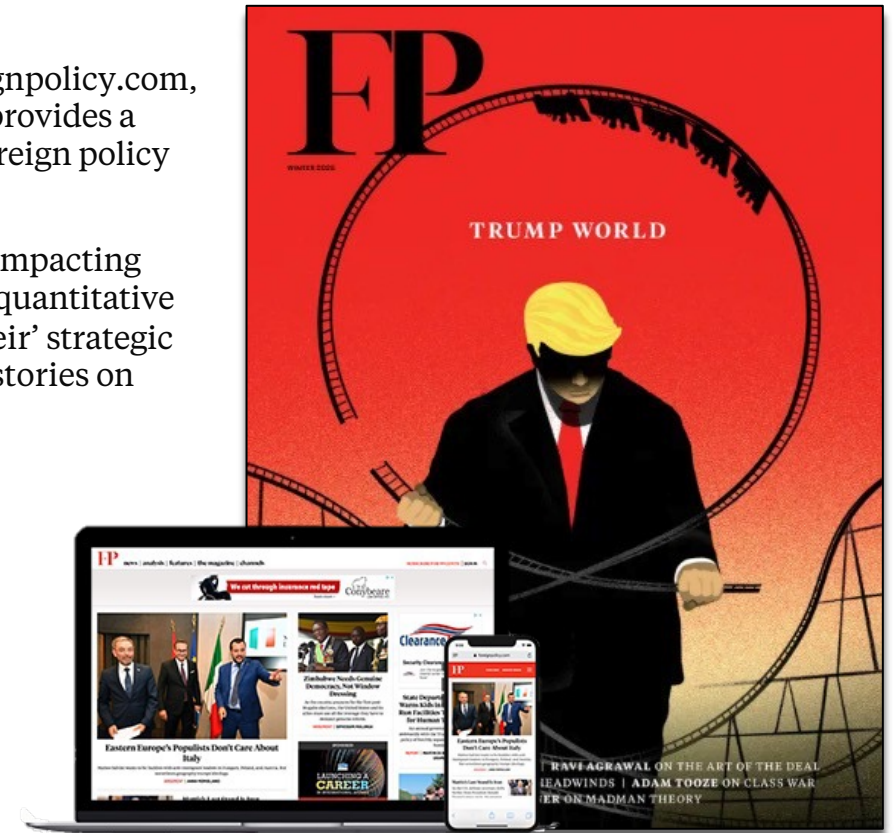

FP Insider delivers insights into the foreign policy stories and emerging trends impacting your life and business. FP Analytics, FP's in-house research division, combines quantitative and qualitative analysis to enhance partners' thought leadership and inform their strategic planning and investment decisions. FP Studios podcasts tell compelling global stories on everything from covert operatives to climate change.
