Mission statement:

1. CMTA:

The CMTA strives to bring together and mobilize resources and professionals from across the country to foster and nurture close interdisciplinary collaborative relationships in the professional areas of music, medicine, psychology, technology and medical equipment development to support the growth of music therapy in the medical field. We aim to establish, develop and promote a nationally and culturally representable profession through in-depth discussions and research in music therapy.

动员和团结全国各方面力量，根据我国音乐治疗在医学领域发展的需要，在音乐界、医学界、心理学界、科技界及医疗器械研制等部门广大专业工作者的密切协作下，共同探讨、研究和宣传音乐治疗这一边缘学科，创建并发展具有中国特色的音乐治疗学。

2. CPMTA:

The Chinese Professional Music Therapist Association is a professional organisation for music therapists in China. The mission of the association is to create strong certified music therapists (Registered Music Therapist, RMT) by developing, establishing, and promoting internationally recognised professional music therapy training and education in China. Through collaborative efforts with its members, CPMTA strives to lead music therapy towards a strong and dynamic path of growth and development.
