

NOMOQ
The can do company

We are NOMOQ, a young high-tech company supplying craft beverage companies with digitally printed beverage cans. Our international team consists of ambitious and experienced experts and entrepreneurs. We offer unprecedented customer orientation and enable beverage manufacturers to create unique designs with unprecedented speed and flexibility based on the latest technology and digital processes. Our name comes from "NO Minimum Order Quantities" and is our promise to deliver premium packaging in small and medium quantities. We don't rest until the beverage cans we decorate look as perfect as our customers' beverages taste. This is our promise and our passion.

Customs & Logistics Specialist (f/m/d)

100%-workload, Kirchheimbolanden (Rheinland-Pfalz) —
hybrid (2 days/week in office)

As a Customs & Logistics Specialist, you take full ownership of customs processes across our group, with a focus on our sites in Germany and the UK. You handle documentation, ensure compliance, and coordinate with authorities to guarantee smooth cross-border flows. In addition, you monitor transport ticket cases and collaborate with shipping companies to improve processes and minimize future issues. With your expertise, you and the team continuously strengthen our customs and logistics setup.

Your tasks:

- Manage all customs processes and documentation for imports and exports in Germany and the UK, ensuring compliance with EU, UK, and international regulations.

- Act as the main point of contact for customs authorities, brokers, and internal stakeholders, keeping records accurate and up to date.
- Collaborate closely with supply chain, operations, and finance teams to ensure smooth cross-border flows.
- Create, formalize, and continuously improve customs-related processes across the group, while monitoring regulatory changes and implementing best practices.
- Support audits and internal reporting on customs and trade compliance.
- Monitor transport cases (e.g. damaged goods) and analyze issues together with shipping companies.
- Drive process improvements with transport providers to reduce recurring problems.

What you should bring:

- Proven experience in customs clearance and compliance in an international environment.
- Education or strong professional background in logistics, customs, or international trade.
- Analytical mindset with attention to detail, accuracy, and problem-solving skills.
- Ability to work independently, while communicating clearly in English and German and collaborating across teams.

Who you are:

- Reliable, structured, and detail-oriented, with a natural eye for accuracy.
- Proactive and curious, always looking for ways to improve processes.
- Comfortable working independently as well as in a team.
- Clear communicator who enjoys collaborating in an international environment.

What we offer:

- Competitive salary and 28 days of vacation.
- Hybrid working model (2 days per week in the Kirchheimbolanden office, rest remote).
- A friendly, international, and highly experienced team.
- Plenty of room to learn, grow, and make an impact.
- The chance to be part of a growth story: we are pioneers in the beverage packaging market and on track to become the leading player in Europe.

You can expect a growing company in a booming market with many exciting challenges. Our goal is to create real value for our customers and contribute to sustainable growth.

Does this role appeal to you, and do you have the necessary qualifications? Then send us an email at jobs@nomoq.com and tell us about yourself and what you want to achieve with us. Your contact person is Joana.
