CAPABILITY STATEMENT

COMPANY OVERVIEW

Machine Time Inc. offers comprehensive machining services, leveraging advanced CNC technology to deliver high-precision components for the aerospace, medical, and mining industries. Operating primarily in the United States, we provide exceptional quality and reliability, from prototyping to full-scale production. As a trusted partner, we embody our vision to "Make Manufacturing Sexy" and our mission to enable customer innovation and growth.

COMPANY INFO

DUNS Number: 68457992
CAGE Code: 9FSL7
UEI: KTICE1V9VL5
EIN: 81-3944190
NAICS: 332710, 332510, 33281, 332721
Business Size: Small Business
BEST Code: BE10755249

Key Experiences

- Propulsion Systems Components
- Battery Components
- Hypersonic Aviation Components
- Fixed Wing Components
- Spacecraft Components
- Robotic Technology Components
- Heavy Equipment Components

Contact Information

Contact Name: Chase Barker
Contact Title: Operations Manager
Email: chase@machinetime.com
Phone: (606) 207-1068
Address: 107 Bradley Drive
City, State, Zip: Nicholasville, KY 40356
Website: www.MachineTime.com

Our Services

CORE COMPETENCIES

- CNC Machining, Processing, Assembly, and Packing
- High-Precision 3, 4, and 5-axis Machining
- Prototyping to Full Scale Production
- Quality Control and Assurance
- Production Robotic Welding

DIFFERENTIATORS

- AS9100D with ISO9001:2015 QMS
- ITAR Registered
- Advanced CNC machinery and technology
- Competent in FAA Conformity Reviews
- Offering Long Term Agreements for prototyping and production.
- Team with decades of industry experience

PAST PERFORMANCE

- Aerospace Tier I Supplier (\$1.5M+ / Year)
- Beta Technologies (\$2M+ / Year)
- Mining Components (\$2M+ / Year)
- Triumph Landing Gear (\$100K Prototype)

MACHINE LIST

- DMG MORI 95
- DMG MORI 75 (x2)
- Leadwell V50i
- Micro Dynamics 30VT
- Micro Dynamics 50VT
- Haas VF2
- Haas Mini Mill
- Haas TL1 Lathe
- Hexagon CMM (x2)

Make Manufacturing Sexy!®

Mission

What do we do

Partner with our customers to enable their innovation and growth.

Core Values

What we refuse to compromise, regardless of the cost:

- ✓ Respect each other. Period.
- ✓ Work hard, our customers deserve it.
- ✓ Strive for mastery in our craft.
- ✓ Help others realize their true potential.
- ✓ Be relentless in the pursuit of solutions.

"Make Manufacturing Sexy" is more than a slogan at Machine Time Inc.; it's a commitment to transforming traditional perceptions of manufacturing. We invest in cutting-edge CNC technology, prioritizing employee development, and fostering strong customer partnerships.
