Storage and Handling

It is recommended that Total Invert Syrup delivered in drums, pails or totes be stored in a controlled environment at room temperature and used within 90 days of fill date. The date of fill can be determined by the container lot code. The key to container lot codes is available from Ingredients Plus, Inc. Product held for extended periods should be evaluated for fitness prior to use.

The above specifications are merely typical guides. No warranty is expressed or implied as to suitability for a particular application. The information is to the best of our knowledge, true and accurate.
