Finance for Professions

Bluestone has been providing finance for the professions sector since 1996. With thousands of satisfied customers, we have both the experience and expertise to deliver a solution to suit the exact needs of our customers.

Is finance right for your profession?

By working with Bluestone, you will be working with a partner that not only understands your sector and can provide a wide range of financial solutions but can also help you to navigate the application and approval process.

This support means that you can have the time to focus on your priorities: looking after your clients and growing your business.

At Bluestone we arrange finance for professionals across a wide range of sectors, including:

- Finance for Barristers & Barristers Chambers.
- Finance for Solicitors (Members of the Law Society).
- Finance for Accountants (ICAEW/ICAS/ACCA/CIPFA).
- Finance for General Practitioners (GMC).
- Finance for Veterinarians (MRCVS).
- Finance for Dentists – including Orthodontists(GDC).
- Finance for Pharmacists.
- Finance for Opticians.

Benefits of Finance for Professions

Finance can be an extremely powerful solution for partner-led organisations where income tax is much higher than equivalent corporation tax in other areas of the private sector. Leasing, for example, is fully tax deductible (unlike using capital) and the tax savings can be significant.

How Bluestone can help?

Our team of finance experts has over 27 years of experience helping organisations secure the finance they need to support their business.
