

This super versatile two-bedroom home has open-plan living, architectural styling and vertical cedar cladding for a stunning, modern finish. Not only that, but this home is transportable and can be shipped to your location. The extensive entry and foyer will give you a sense of grandeur, and the large glazing will ensure good views of your surroundings. There are also extensive deck options available to suit your site, a bathroom and laundry. This tiny home is stylish with livable features to create a comfortable and architectural abode.
