

Healthier People Stronger Businesses

The **performance health platform** for modern business.

Tackle rising costs, whole of workforce engagement and expensive rewards with one powerful, cost-effective proposition.

Compete

Friendly competition through gamified challenges

Discover

Find and access your Bupa and other health benefits quickly and easily

Reward

Link wellness to rewards with GoJoe's powerful, 100% customisable rewards feature

Train

Get and stay fitter and healthier all year round. Physical. Social. Mental.

Connect

Be active with and against people you know

GoJoe Prevents Bupa Protects

Teaming up to combine preventative and reactive support to build healthier, and more productive teams.

Whole of workforce

Connect and engage everyone, not just those eligible for certain benefits.

36 languages, live in 180 countries, inclusive of anyone regardless of tech, location or level.

Dynamic rewards

Rewards are great, but can get expensive.

Use GoJoe's optional smart rewards, linking behaviours to rewards and with **100% control and oversight** on what you spend.

Prevent and protect

Combining best-in-class proactive and reactive solutions from one place

Connected and simplified

Leverage connected engagement, wearable, survey and medical claims data, to measure, reduce and ultimately predict health costs.

Our Impact: Business Performance

Meaningful, measurable impact with clear ROI.

NatWest

Helped reduce absenteeism costs
mental health and MSK by 10% in
18 months

centrica

First decline in absenteeism rates
for 15 months, within 4 months of
roll-out, and a 67% improvement
in mental health among users.

Coutts | 

40% reduction in stress at work
18% increase in feeling more
productive

*William***HILL**

5% increase in Peakon scores
within six months satisfaction
and culture
