

# DELIVERY OF GRINDER TRAIN FROM AUSTRALIA TO AUSTRIA

Multimodal transport of oversized cargo including custom support solutions and heavy haulage

## Project details

**Task:** Tschudi Logistics handled the end-to-end transport of a Grinder Train, including port handling in Melbourne, RoRo shipment to Hamburg, customs documentation, and heavy haulage to Austria. The trailer was lifted onto a low-bed and secured with custom-made wooden supports.

**Cargo:** Grinder Train (truck and trailer unit)

**Measurements:** Heaviest item: 33 tons

**Route:** Melbourne, AUS → Hamburg, DE (via RoRo ocean freight) → Austria (via heavy road transport)
