Free of charge

Early sale of investment

If you decide to sell your investment before the investment round expires, Investown charges a small fee 0,9 %.

Early sale of investment in case of loan maturity extension

If you decide to sell your investment due to an extension of the loan maturity, the sale is free of charge in this case and no fees are applied.

Second money withdrawal within 24 hours

The first money withdrawal is completely free. The second and every subsequent withdrawal within a 24-hour period is subject to a fee 9 CZK.

Successful collection of statutory default interest

If Investown successfully ensures that the Project Owner pays statutory default interest on overdue payments, Investown is entitled to a fee amounting to 30% of such interest.
