Efficiently manage mortuary surges with the right mobile or portable products from Paladin, the leader in purpose-built, temporary decedent storage solutions.

### WHY PALADIN?

- Purpose-engineered and constructed for maximum workplace safety and dignified decedent storage options
- High-quality, medical grade solutions that accommodate industry-standard equipment
- Reliable, temperature-controlled, four-season solutions
- Multiple, adaptable solutions for mass fatality incidents, pandemics, transportation incidents, overflow or morgue construction.
- Flexible contract options for purchase or lease

### REAL WORLD SOLUTIONS TO REAL PROBLEMS

As the largest manufacturer and lessor of mortuary surge solutions in the U.S., Paladin offers purpose-engineered mass-fatality solutions designed to value worker safety and dignity to the deceased. Paladin leverages its team's insights and experience to offer mortuary surge solutions for any situation or budget, including bumper-pull trailers, semi-trailers, containers and portable expansion cube options.

Paladin solutions are in use with over 100 emergency management agencies, hospitals, state, county, city and tribal coroners, and medical examiners.

***Safe. Dignified. Proven.***
