

Bulky Waste

Bulk item collection occurs each service week, however, you must call and schedule a collection. **Bulk items will not be collected without scheduling** with WM. You are allowed one scheduled pickup each week of up to 1 bulk item. Please place your bulk items on the curbside on your scheduled day.

- Acceptable items include small furniture, bedding, mattresses, etc.
- Awkwardly sized or shaped household items that do not fit into your trash cart.
- Mattress and box-spring sets count as ONE item.
- Carpeting is acceptable, but must be rolled into lengths of 4 feet or less, taped securely, and do not have a diameter wider than 18 inches.
- Items such as weed trimmers, small lawnmowers or any small equipment requiring oil and/or gas must have those liquids removed prior to collection.
- Large items must be of size that can easily be handled by two people.
- Bulk item collection must be scheduled on **www.wm.com** or by calling **800-972-4545**.

Town of Holland
Trash & Recycling Services
2026

Dear Holland Residents,

WM looks forward to continuing to service the residents of Holland to help your community be as clean - and green - as possible. We'd like to take this opportunity to provide you updated information related to your trash and recycling services.

For more information

WM: (800) 972-4545

Town of Holland: (716) 537-9443

Thank you and we appreciate your cooperation.

Sincerely

WM

Schedule

Trash is collected weekly and recycling is collected every other week.

All materials should be placed at the curb by 6:00 a.m. on your collection day.

Trash (Green Lid Cart)

All regular household refuse must be bagged and placed in your WM-issued cart for collections.

Materials may not protrude from the cart and the lid must securely close.

NOTE: DO NOT place recyclables in trash cart.

The following items will NOT be accepted in the trash cart:

- Dirt, sod, concrete or rock
- Construction/demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas or paint

If you have any normal household garbage that is not recyclable and does not fit into your cart, you can place the excess garbage in 30 gallon bags and affix an extra capacity sticker on each bag. Stickers can be purchased at the Holland Town Hall for \$1.00 each. After affixing the sticker to the extra bag you can place the extra bag next to your trash cart for collection. Any bags without the sticker will not be collected. Limit 10 per week.

Care and use of the cart:

- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Since automated waste collection requires clearance for the vehicle's lifting mechanism, any cars parked at the curb should be at least 5 feet from the trash cart.

The placement of the cart is very important as the collection vehicle's lifting arm requires clearance of at least 3 feet on both sides of the cart and 12 feet overhead.

Carts should be no more than 2 feet away from the road's edge, with the arrow facing the road and handles facing the house.

Carts should remain on the property at all times and the property of WM. Please do not take the containers with you if you move.

Your are encouraged to mark the inside of your cart with your property address. All carts should be labeled with your property address.

Should your cart require repair, please call WM at (800) 972-4545.

Recycling (Yellow Lid Cart)

Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in landfills.

- Place all your recyclable materials inside your recycling cart.
- Do not bag your recyclables. Keep your recyclables loose inside of your recycling cart.
- An additional cart can be purchased by contacting the Town of Holland. There will be an additional cost associated with additional cart purchase.
- Recycling carts should be placed curbside every other week on the same day as your trash collection. Please refer to the calendar for your recycling schedule.
- See a list of all acceptable recycling materials on the adjacent panel.
