• **Special Use Permit – Open Development Area - Zachary Emer**

Zachery and Amanda Emer – residing at 11732 North Canada Street are requesting approval on an Open Development Area application in order to build a new residence. The lot is currently zoned R2. The request is for a new lot with a non-conforming frontage to allow for the construction of a single-family residence on the original lot that also has non-conforming frontage. The property is 20.7 acres and has an existing non-conforming frontage of 132 feet. The proposal is for a new lot with an existing home near the front of the property that will remain with a non-conforming frontage of 97'6". The existing lot will have a new non-conforming frontage of 35'. The intent is to create a "shared use easement" for the driveway to continue further into the property, about 600 feet, yielding access to the location of a new single-family home. The required paperwork was provided including an application for Open Development Area, site plan, Erie County construction permit and approved plans for septic, SEQR, and survey. They are projecting that the new home would be built next Spring.

After discussion, the Planning Board voted unanimously to recommend that the request for Open Development Area be granted based on all information provided in the application and the following conditions:

- 1) Per Justin Quant, Building Inspector, the existing unpermitted accessory building must have the trusses removed, but must be demolished/removed prior to construction.
- 2) Driveway easement/shared maintenance must be included in final deed.
- 3) Marty completed SEQR Part 2 – Impact Assessment.

The meeting was adjourned at 8:02 p.m.

Town of Holland
47 Pearl Street,
Holland, NY 14080

Dear Supervisor Hack,

On behalf of the Southtowns Rural Preservation Company's (SRPC) Board of Directors, I would like to thank you for the Town of Holland's recent contribution and continued support of our organization.

Support from municipalities such as the Town of Holland is vital to SRPC's mission of helping rural residents throughout Southern Erie County remain safely in their homes. Your contribution allows us to continue providing assistance to homeowners who may otherwise struggle to maintain their property and remain a part of the communities they call home.

We greatly appreciate the Town of Holland's commitment to supporting its residents and to helping preserve the character and vitality of our rural communities. Partnerships with local municipalities are an important part of our ability to fulfill our mission, and we are grateful for your confidence in SRPC.

If you would be interested, I would be happy to arrange a meeting to provide an overview of SRPC's programs and services and discuss how we may be able to assist residents of the Town of Holland. We would welcome the opportunity to learn more about the Town's needs and explore ways we can work together in the future.

Thank you again for your generous support and for your commitment to the residents of the Town of Holland.

Sincerely,

Thomas Buttafarro, Jr.
Executive Director
