

BUSINESS GROWTH PLAN

Business Growth Plan **EBG**

Sponsored by National Association of State Procurement Officials (NASPO)

The **Business Growth Plan** involves strategy development needed to grow an existing business owned by a current DECA member. Options may include franchising, expanding into new markets, opening a second location, licensing agreements, merging with or acquiring another business, diversifying product lines, forming strategic alliances with other businesses, expanding to the internet, etc.

Participants in the Business Growth Plan will:

- analyze their current business operations
- prepare a written proposal identifying opportunities to grow and expand the business
- present the proposal in a role-playing interview

All participants must be documented owners/operators of the business. A parents' business does not qualify.

Examples of sufficient documentation of ownership include items that clearly list the name(s) of the owner(s)/operator(s) such as:

- notarized affidavit of ownership
- business licenses
- certificates of insurance
- tax filings
- local business permits

Examples of insufficient documentation of ownership include items that are less official such as:

- webpages
- business cards
- promotional materials
