

Current Officers willing to stand for re-election in 26/27 period (updated 20 July 2026)

Leadership Opportunities for 2026

This year, several key Officer positions will become available:

- **President**
- **Auckland Branch Chair**
- **Auckland Branch Secretary**
- **Christchurch Branch Chair**
- **Christchurch Branch Secretary**

These roles offer members a genuine opportunity to help shape the future of The Screen Guild and influence how we represent, support and advocate for screen workers across Aotearoa. Guild Officers contribute to the decisions that guide our priorities, policies, industry engagement, member services and regional activity. They bring the views and experience of working crew into the conversations that determine how the Guild responds to industry challenges and opportunities.

We warmly encourage members to consider standing themselves or nominating an eligible member who has the ideas, experience and enthusiasm to make a positive contribution.

This is an opportunity to bring new voices to the table, represent your fellow crew and help shape the direction of both the Guild and the wider screen industry.
