

Men, is it time to talk?

Mentell is a UK charity that provides free online and in-person groups for men aged 18+ to talk in a safe and confidential space, without advice or judgement.

To register, scan the code or go to [mentell.org.uk/signup](https://www.mentell.org.uk/signup) and complete the form.

Save your seat, and turn up at one of our weekly men's groups.

“We were just a bunch of men that wanted to get better”
