FUJIFILM

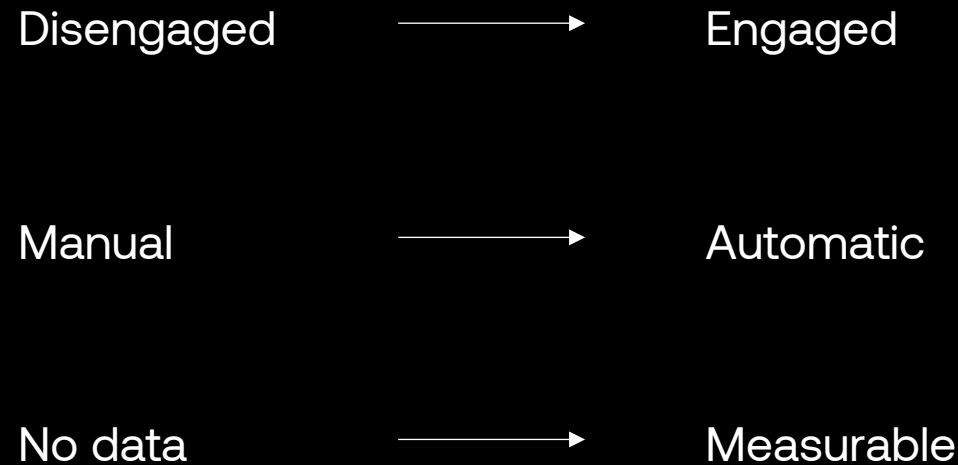

Cycle of Disengagement

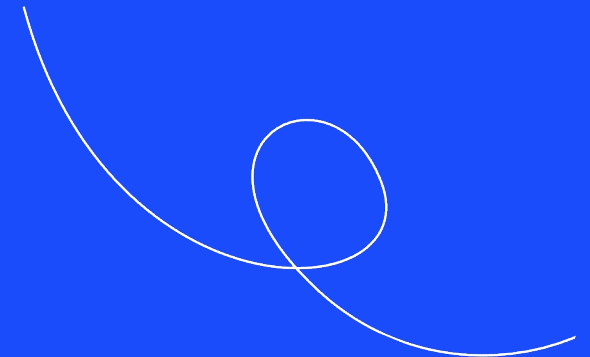

Benefit communications are stuck in the 90s

Our mission is to modernize them

Airbo Free Plan

Available exclusively through brokers

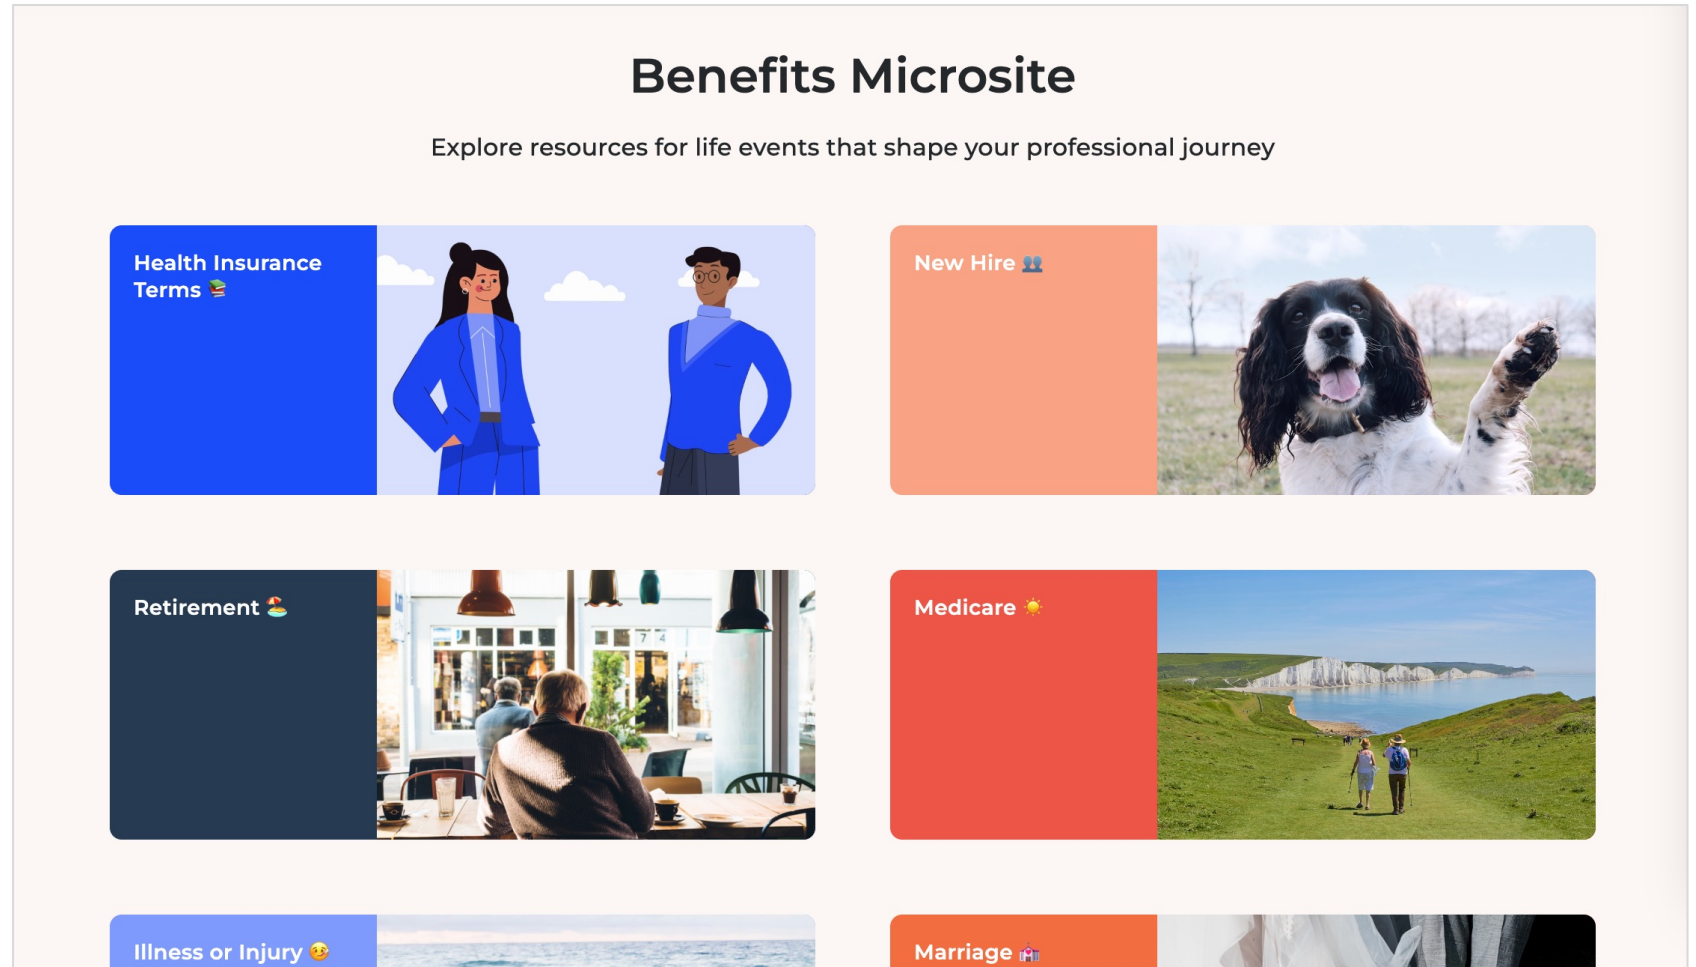

Benefits Microsite

Provide your clients with a microsite that employees can reference for benefits information.

How it works

1. Send us your client's benefits info and branding.
2. Airbo creates and adds template content.
3. You and your client customize the content to align with their benefits.
4. Employees receive it via link or QR code.

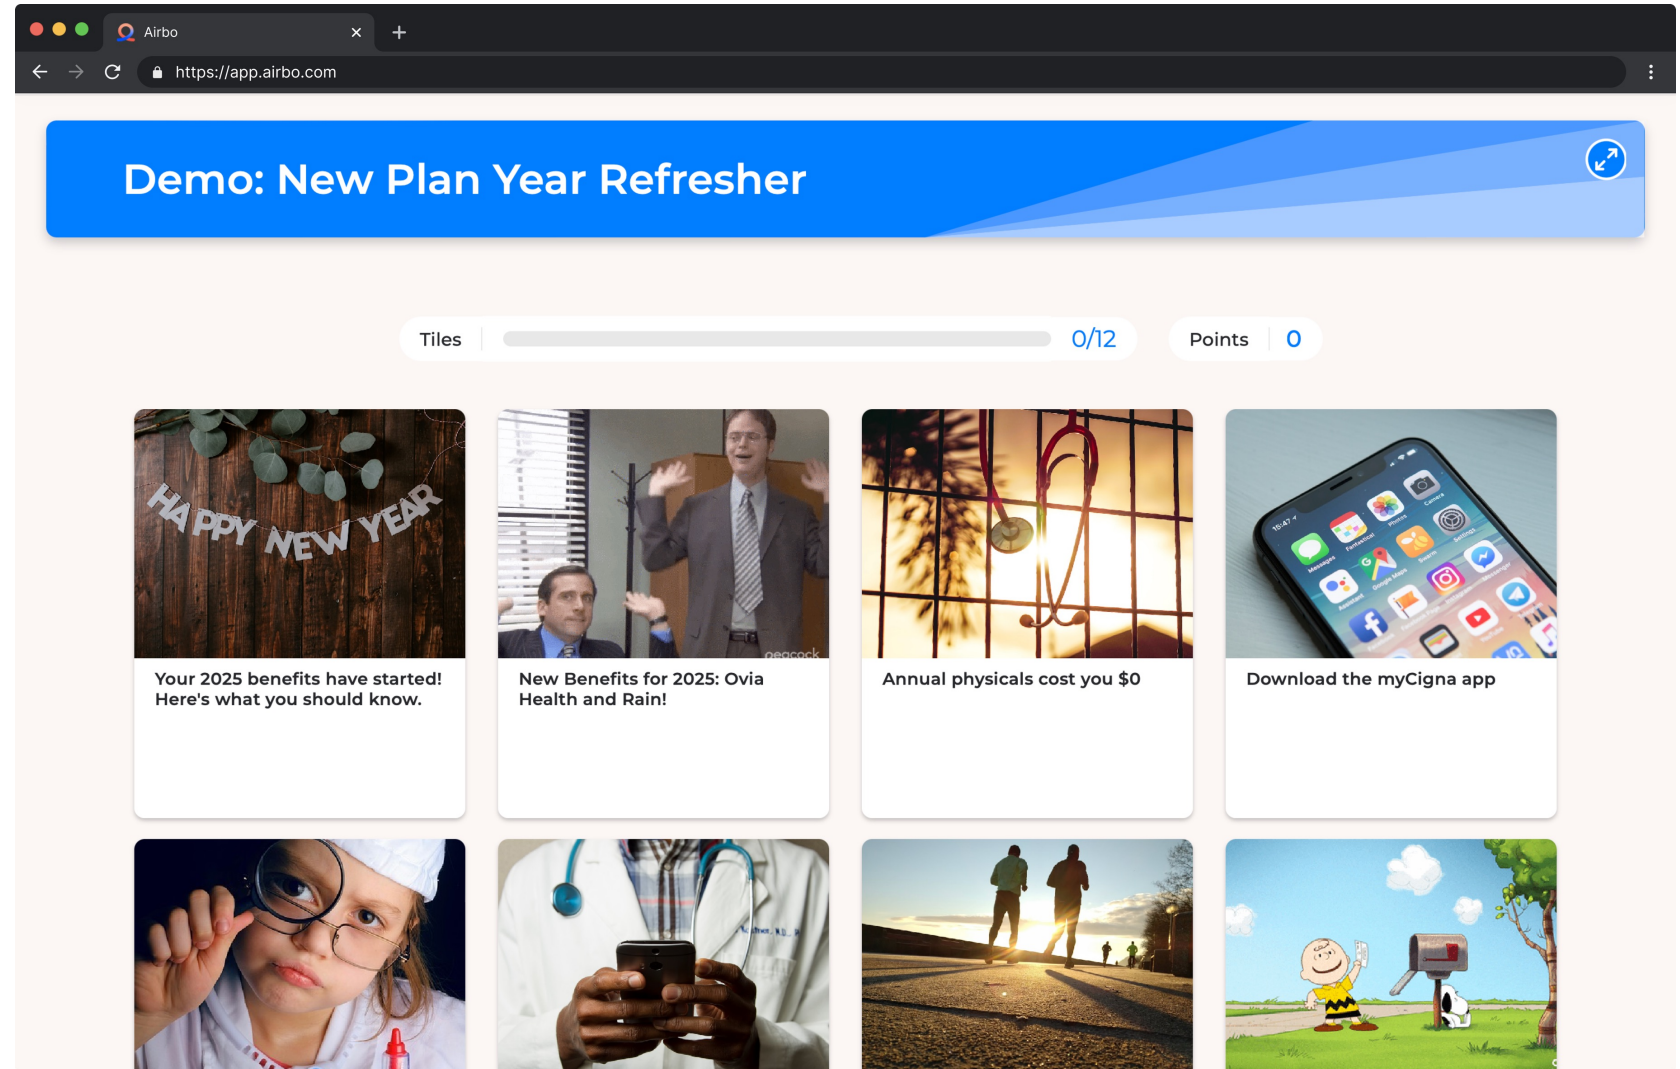

30-Day Interactive Campaign

Educate employees about any topic, excluding OE

How it works

1. We create content using your client's benefits guide.
2. You and your client review it & add final touches.
3. Employees receive it via SMS and email.
4. Use prizes to drive participation.

HR Assistant

An AI-powered Assistant to save time answering employee questions

How it works

1. We set up an AI assistant using your client's HR documents.
2. You and HR can use it to get instant answers to employee questions, draft responses, and more!
