Use Case #1

My prospective hire just asked me what the difference is between our two medical plans. Can you draft me a response back?

Use Case #2

I want to do a wellness event for National Nutrition Month. Can you please give me some ideas for in-person events we can do that don't cost a ton?

Use Case #3

My employee just asked me how to submit a claim for their disability insurance. Can you please draft me a reply back with instructions and who to contact?

Use Case #4

We need to have employees sign a new cell phone policy. Can you please draft me messaging that I can share with managers to have employees take this action?

Use Case #5

I need the contact information for our EAP vendor. Can you please pull it for me?

Use Case #6

An employee just asked how to change their 401(k) contribution and what deadlines apply. Can you draft a response I can send them that includes any relevant links or next steps?

Use Case #7

An employee just got married and wants to update their health insurance plan. Can you provide a simple step-by-step guide I can send them, including any forms they need to complete and deadlines to be aware of?

Use Case #8

I need to email our benefits provider to clarify plan details and request updated documentation for this year's open enrollment. Can you draft a professional email that ensures I get the right information quickly?
