

Welcome to All Seasons Foods!

Dear Parents, Students and Staff,

We are happy to announce our new partnership with nationally renowned software provider, EZ School Apps to implement our online lunch order administration.

Please log in at <https://www.ezschoollapps.com/login> or scan the QR Code below, click Parent Login and sign up for an account. Then you will choose your school by zip code.

When you log in, click “missing a student” in the top right hand corner and search for your child. If your student is not listed, you can add them.

Make sure to **CHOOSE YOUR** Homeroom Classroom. If your teacher or classroom are not listed, please email knalesnik@aseasonsfoods.com with your school, grade and teachers information.

Your student will order in homeroom and scan their ID's at the Point of Sale at lunch time. Please make sure funds are available.

Once logged in, if you have any questions or need assistance, click on the Contact Support option on the upper left corner of the website.

We are working diligently in getting the account balances transferred over from our old ordering platform. We do ask that you give us time to update all of that information in the new system. This should be completed by 09/01/25 for students who have account credits or balances.

We thank you for your help in getting this implemented and look forward to assisting you in any of your needs,

Your All Seasons Foods Team
Kristy Nalesnik, Administration
knalesnik@aseasonsfoods.com

IMPORTANT INFORMATION: You must have an active credit card on file and loaded funds are not returnable. In this new system, funds that are added will be added to your student account, NOT the parent account. Should your student have more than 1 parent adding money, it will all fall into the same student account

Disclaimer: By signing up for EZ School Apps, you authorize All Seasons Foods to charge the card on file should you fall into a negative balance. You have 7 days to dispute a charge to your account by emailing knalesnik@aseasonsfoods.com. Please include your school, students name, date of transaction and any other pertinent information.
