

The following is a listing of all supplies needed for the students in grades Pre K3 - Kindergarten. Simply find the grade level for your child and head to the store. Don't forget to ask the retailer if they have a school sponsorship program when checking out. These programs actually give a percentage of purchases back to our school. Once you have purchased all of your supplies, it is extremely important that you **LABEL EVERY ITEM WITH YOUR CHILD'S NAME!** This helps in the classroom and with items that are lost and found.
