

Kuyendetsa Gulu la Moyo

Ngati mungafunse wina kuti afotokozere mpingo, angatchule za nyumba, anthu akuyimba kapena mlaliki wopereka ulaliki. Pomwe pali zinthu zingapo zabwino za izi, si njira yokhayo yomwe tingachitire mpingo.

Mu Chipangano Chatsopano, mawu omwe amagwiritsidwa ntchito pa mpingo ndi 'ekkklesia'. Izi zimatanthauzira ku phwando la anthu. M'matchalitchi ambiri misonkhanoyi ndi ofanana ndi zomwe timatcha Magulu Amoyo. Amapanga magulu ang'onoang'ono a anthu, omwe amasakwana makumi atatu, omwe adakumana limodzi kuti akaphunzire Baibulo, amapemphera, kupembedza, kugawana, kugawana madera awo.

Magulu Achikhirisitu nthawi zambiri amakumana m'makomo, kunja kwa mabwalo kapena m'masunagoge (malo Achiyuda opembedzera). Mwachitsanzo, Aroma 16:5 amakamba za mpingo womwe, "akumana kunyumba kwawo." Sanakhale ndi nyumba ya tchalitchi monga momwe ife tiri nafe lero. M'malo mwake, palibe kutchulidwa kwa tchalitchi mu Chipangano Chatsopano.

Nthawi zina titha kuganiza za mpingo ngati wolamulira. Tikuganiza kuti azibusa ndiofunika kwambiri ndipo anthu wamba sangakhale choncho. Mu 1 Akorinto 12 Mpingo umafotokozedwa ngati thupi, dongosolo lomwe aliyense ali ndi gawo ndipo Yesu ndiye mutu. Aliyense ali ndi malo mthupi ndipo palibe gawo lofunika kuposa enawo. Kuonetsetsa kuti aliyense ali ndi malo oti mumvere, kugawana ndi kugwiritsa ntchito mphatso zawo ndikofunikira kwa gulu laling'ono lathanzi.

Baibulo imamveketsa bwino kuti mpingo, womwe umaphatikizapo magulu ang'onoang'ono, ayenera kukhala amoyo. Sikokwanira kungophunzira mawu a Mulungu; tiyenera kukhala ndi moyo. Mu Yakobe 1:22 tauzidwa, "Khalani akuchita mau, osati akumva okha, ndi kudziyenga nokha." Sizingatheke. Tiyenera kukhala anthu ochita zinthu zomwe zimakhala chikondi ndi moyo wa Mulungu. Mulungu watipatsa ife, anthu ake m'madela kuti tiwadande anthu athu ndi kuwauza.

Monga mpingo woyambirira, Magulu Amoyo ndi magulu a anthu ochepa omwe amasonkhana kuti aphunzire Baibulo, gawanani ndi moyo ndi kufikira madera awo. Amakumana kulikonse komwe angathe. Aliyense ndi wofanana. Tawona miyoyo ndi madera ambiri osiyanasiyana omwe amasinthidwa ndi anthu wamba amakumana motere. Bwanji osayesanso zofanana mdera lanu?

Ziyikeni mu Zocita!

Ngati mukukumana kale mu Gulu la Moyo, mwina mwamvapo izi zisanachitike. Palinso zambiri zomwe mungachite! Bwanji osayitanani anthu ena ku Gulu la Moyo lanu? Kapena pamodzi ndi Gulu lanu la Moyo wanu, yesetsani kubzala gulu lina mdera loyandikana nawo.

Ngati ndino koyamba kumva za Magulu Amoyo, bwanji osayamba imodzi? Ganizirani za anthu ochokera m'makhalidwe osiyanasiyana omwe angaphatikizidwe, anthu onse omwe amapita kutchalitchi ndi omwe sakutero. Kusunkhana pamodzi ndi anthu awa ndikukambirana momwe mungayambire kukumana ngati Gulu la Moyo.

Pephelani kuti:

- 1) Anthu adzadziwa Yesu
- 2) Zopinga zilizonse Pamagulu Amoyo zidzachotsedwa

Poletsa mafakitale a pakhwima mu Roan, gulu la anthu linakumana kuti lizilankhula za kuchita china chatsopano mdera lawo. Anaona kuti gulu lawo likhoza kukhala bwino ndi kukhala ndi ndalama. Adaganiza kuti atha kuchita kena kake ka izi ndipo adagwirizana kuti agwire ntchito limodzi kuti ayambe Gulu la Moyo!
