

## Updoc – User Terms and Conditions

These terms and conditions (**Terms**) govern your access and use of all Updoc branded applications, websites (including our website and platform located at <https://updoc.com.au>), content and products (**Updoc Platform**) as well as the Services that are made available through the Updoc Platform by Venture Startups Pty Ltd (ABN 67 648 935 282) trading as 'Updoc' (**Updoc, we, us or our**).

By using any part of the Updoc Platform, and in consideration of us providing you with access to it, you confirm that you agree to be bound by the Terms. If you use the Updoc Platform for another person (**Family Member**), you confirm that you have legal authority to act for them (i.e. you are their parent or guardian) and you accept the Terms on their behalf. If you do not agree to the Terms, you must not access or use the Updoc Platform or request Services.

**If you require IMMEDIATE medical attention, contact your treating general practitioner or call emergency services on '000'. Do not use the Updoc Platform if you have, or you think you may have, an emergency or critical condition or symptom, which can include, but is not limited to, chest pain, breathing difficulties or severe bleeding.**

### 1. Scope of Terms

---

- 1.1 The Terms set out how we provide the following (together, the **Services**): (a) access to, or the facilitation of communications with, independent AHPRA-registered medical practitioners, nurse practitioners, or psychologists (**Partner Practitioners**) who provide (at their discretion) healthcare services (including, but not limited to, medical certificates, specialist referrals, pathology referrals or prescriptions); (b) facilitation of the fulfilment and delivery of medicines to you by pharmacies that we have direct or indirect arrangements with (**Partner Pharmacies**) based on prescriptions provided by Partner Practitioners; (c) facilitation of services from third-party health services providers (i.e. pathology or radiology providers) that we have direct or indirect arrangements with (**Diagnostic Partners**); and (d) providing you with access to the Updoc Platform, which may contain records of your communications with Partner Practitioners, Partner Pharmacies and Diagnostic Partners (**Partner Providers**) and other medical information.

### 2. Amendments

---

You agree that Updoc may amend these Terms from time to time and any amendments made will become effective upon Updoc posting the updated Terms at this location. Where required by Law, we will notify you of amendments that materially affect your rights under these Terms and provide you with reasonable notice.

### 3. Our role & the role of Partner Providers

---

- 3.1 We act as the developer and provider of the Updoc Platform and our role is limited to: (a) taking feedback about the Updoc Platform; (b) improving and modifying the Updoc Platform (at our discretion); and (c) facilitating your access to, and use of, the Updoc Platform so that you can request Services, subject to you paying the Fees.
- 3.2 **Partner Practitioner relationship** – You agree that: (a) we do not offer or provide medical or healthcare services and any communication from us or our staff is not medical advice or

the provision of a healthcare service; (b) you form a “practitioner-patient” relationship with each Partner Practitioner that you consult with or otherwise obtain advice or an outcome from; (c) we are not a party to that “practitioner-patient” relationship; (d) your interactions with Partner Practitioners do not replace in-person care (including your visits to your general practitioner); (e) you are responsible for informing your general practitioner of any outcomes provided by a Partner Practitioner (including, but not limited to, any medical certificates, referrals or prescriptions) (**Health Outcomes**) or authorising us in writing to transfer such information to your general practitioner; and (f) if you experience any noticeable side effects relating to any Health Outcomes, you should immediately consult your general practitioner or contact us to arrange a further consultation with a Partner Practitioner.

- 3.3 **Partner Pharmacy relationship** – If a Partner Practitioner issues you a prescription, we may offer to connect you with a Partner Pharmacy to dispense and deliver it upon your request (**Fulfillment Request**). You acknowledge and agree that: (a) we are not a pharmacy; (b) a Partner Pharmacy may accept or reject a Fulfillment Request, and we may decline to facilitate it (at our discretion); and (c) if a Partner Pharmacy accepts, it will provide a fee through us to complete the request (**Fulfillment Fee**) that is valid for 24 hours unless withdrawn earlier. Fulfillment Fees are managed under clauses 9 and 10 (Fees and Payment Method).
- 3.4 **Diagnostic Partner relationship** – If a Partner Practitioner issues a referral for diagnostic services, we may offer to connect you with a Diagnostic Partner to carry it out. You are not required to use a Diagnostic Partner, and you may take your referral to any diagnostic provider of your choice. If you need a copy of your referral, you may ask us for it. If you choose a Diagnostic Partner to fulfill your referral, you acknowledge and agree: (a) the Diagnostic Partner sets its own timeframes for completing the referral and reporting results back to us; (b) you are responsible for following up the Diagnostic Partner about the completion of your referral.
- 3.5 **No liability for Partner Providers** – to the extent permitted by Law, you agree that we are not liable to you for any act or omission of any one or more Partner Provider, including in connection with any services, goods or outcomes that they provide.

#### **4. Accounts, verification and access**

---

- 4.1 **Creating an Account** – You must create an account (**Account**) using your personal email and your mobile number to receive and manage the Services, including communications and materials from Updoc and Partner Providers (**Materials**). We may send verification codes or links to confirm your contact details. You agree that you are responsible for all activity on, and access to, your Account.
- 4.2 **Family Subscription Account** – A person may purchase a family subscription (**Family Subscription**) and that person is the administrator of the Family Subscription (**Account Administrator**). The Account Administrator selects eligible Family Members (up to the relevant Family Subscription limit) and may, at their discretion, add or remove Family Members. The Account Administrator can view the membership status of each Family Member and the billing information relating to the Family Subscription. We do not provide the Account Administrator with access to any Family Member’s health information, except as outlined under clauses 4.3 and 4.4 or where a Family Member has otherwise granted access.

**4.4 Adults & Account Administrators** – Where a Family Member is 18 years of age or older (**Adult Member**): (a) you acknowledge and agree that the Adult Member must consent to being added to the Family Subscription; (b) you warrant that any contact details that you provide for an Adult Member belong to them and they are provided with their prior consent; (c) Account Administrators will not have access to an Adult Member’s health information unless the Adult Member has granted that access through platform permissions or they have provided us with their consent. Invitations to join, and all other Materials, will be sent to the Adult Member using the contact details provided by the Account Administrator.

**4.5 Account set-up** – you must: (a) provide accurate, current and complete contact details; (b) not share your Account credentials or provide access to your Account to any third party (including family members or friends); (c) ensure the security, integrity and confidentiality of your email, mobile number and Account; and (d) notify Updoc immediately at [privacy@updoc.com.au](mailto:privacy@updoc.com.au) if you suspect unauthorised access to your email, mobile phone or otherwise to your Account.

## **5. Requests through the Updoc Platform**

---

**5.1** You represent and warrant that: (a) you are at least 18 years of age or if you are under 18 years of age, that you use the Updoc Platform with an Account Administrator at all times; (b) you have the legal right, authority and capacity to agree to, and abide by, the Terms; (c) you are capable of consenting to any health or medical treatment; (d) you have an Australian residential address; (e) you will be located in Australia each time you request and receive a Service; and (f) all the information that you provide to us and each Partner Provider is true, accurate, complete and up-to-date.

**5.2** By accessing or using the Updoc Platform, you acknowledge and agree that: (a) you will comply with our fair use policy located [here](#) (**Fair Use Policy**); (b) unless we commit otherwise, you are not able to choose the Partner Provider that provides a Service to you; (c) we do not guarantee the existence, availability, suitability, legality or safety of the Updoc Platform, the Services or any other products or services; (d) we do not warrant or represent that the Services or other products or services are suitable for you or for any of your conditions; and (e) a Partner Practitioner will only consider one requested outcome for each request for a Service.

## **6. No guarantee of Health Outcomes**

---

You agree that: (a) Partner Practitioners have complete discretion to determine whether a Health Outcome is appropriate for you, including the method that they use to provide that Health Outcome to you; and (b) Updoc and Partner Practitioners do not guarantee that you will receive the Service or a Health Outcome. Without limiting the above, you acknowledge

that Partner Practitioners are unable to prescribe controlled, addictive or Schedule 8 medications or provide backdated medical certificates.

## **7. Government Rebates**

---

- 7.1 Except as expressly stated by Updoc, you agree that: (a) the Services provided by Partner Practitioners are not covered by Medicare; and (b) bulk billing and Medicare rebates are not available for Services provided.
- 7.2 If Updoc states that it facilitates Services that are eligible for Medicare rebates and you are eligible for a Medicare rebate (either directly or through its Affiliates): (a) you authorise Updoc (or its Affiliates and Updoc's or its Affiliates billing agents) to submit and process rebate claims on your behalf after the relevant Service is provided; (b) Medicare will pay any rebate directly into your nominated Medicare-linked bank account; and (c) if we cannot process an applicable rebate for any reason, you remain liable for the full fee for that Service.
- 7.3 Without limiting clause 7.2, to access Medicare rebates for psychological services: (a) you must hold a valid referral (and any required 'Mental Health Treatment Plan') from an eligible medical practitioner or other relevant referrer; (b) you are responsible for checking your eligibility on the Medicare website or by contacting Medicare; (c) you agree that we do not warrant or guarantee, nor are we responsible for, the timing, amount or success of any Medicare rebate claim

## **8. Termination or suspension of access to Updoc Platform**

---

- 8.1 If you have requested a one-time Service, these Terms will terminate once that Service has been provided to you.
- 8.2 If you have requested a subscription for the Services as outlined [here](#) (including a Family Subscription) (**Subscription**), these Terms will renew automatically for the period of the subscription that you have elected (for example, if you have elected a monthly subscription, your Subscription will renew on a monthly basis). You may terminate your Subscription at any time, and you will have access to the Services that are part of your elected Subscription through to the end of your billing period, unless you elect to cease access immediately. Where a Family Subscription is cancelled, each membership under that subscription is terminated at the same time.
- 8.3 To cancel your Subscription, you must use the functionality provided through your Account and follow the prompts provided. If you do not have access to your Account, you may contact us at [contact@updoc.com.au](mailto:contact@updoc.com.au) to assist you to obtain access to your Account. Except for a written termination notice provided by your authorised legal representative (for example, someone with a valid power of attorney), you agree that Updoc will not accept termination notices provided by any other third party on your behalf. Only Account Administrators can terminate a Family Subscription.
- 8.4 We may suspend your Account, terminate the Subscription or your access (or the access of your Family Subscription) to, or any use of, the Updoc Platform (in whole or in part) and terminate these Terms: (a) immediately if we believe that: (i) you have breached the Terms, including our Fair Use Policy; (ii) you may be at risk of harm or you may harm other individuals, including because of your use of the Services; or (iii) your conduct is, or is likely

to, interfere with the Updoc Platform, the Services or the rights of any third party; or (b) for any reason and without cause, by giving you 7 days' written notice.

## 9. Fees

---

- 9.1 **Service Fees & Platform Access** – Updoc may charge you a one-off fee (**One-off Fee**) or a monthly fee or annual fee for a Subscription (**Subscription Fee**) in consideration for us providing you with access to the Updoc Platform and the ability to request the relevant Services through the Updoc Platform (**Service Fees**). Updoc outlines the Service Fees [here](#) (including the Subscription Fees relating to the Family Subscription) and prior to check out. Where Service Fees differ between the links provided in this clause 9 and the Service Fees stated prior to check out, the Service Fees prior to checkout will prevail. You agree that: (a) all Service Fees are payable in advance and are non-refundable, except as provided in these Terms; and (b) all Service Fees and other fees, charges and prices are stated in Australian dollars and are exclusive of any applicable taxes (unless otherwise stated); and (c) you are responsible for paying all Services Fees and taxes and we reserve the right to charge you such applicable taxes.
- 9.2 **Pharmacy Fulfillment Fee** – If you accept the Fulfillment Fee within the validity period, a separate agreement forms between you and the Partner Pharmacy for dispensing and delivery. Subject to us receiving the Fulfillment Fee, you authorise us, as your agent, to collect the fulfilment Fee and provide it to the relevant Partner Pharmacy or their intermediary.

## 10. Payment Method

---

You agree that all Service Fees and Fulfillment Fees (**Fees**) must be paid in advance with a valid credit or debit card (**Payment Method**). In addition, you agree that: (a) Subscription Fees must be paid monthly or annually (based on the type of Subscription that you choose) in advance through your elected Payment Method and access to the Updoc Platform and any Services is conditional on timely payment of all Fees by you; (b) you authorise Updoc, or its elected third-party payment processor, to charge your Payment Method in accordance with the Terms, including to carry out validation checks and authorisations and to automatically charge or debit your Payment Method based on the goods and services that you have chosen; and (c) if the Fees are not paid to us you remain responsible for any outstanding Fees not paid.

## 11. Refunds

---

- 11.1 **Australian Consumer Law** – Nothing in these Terms limits your rights under the Australian Consumer Law (**ACL**).
- 11.2 **One-off Service** – if you have paid a One-off Fee and a Partner Practitioner determines that your request in relation to the Service is not appropriate in your circumstances, we will refund that One-off Fee to your original Payment Method within 7 business days upon notifying you of that determination.
- 11.3 **Subscriptions** – if you terminate your Subscription under clause 8, or we terminate your Subscription under clause 8 (other than for termination without cause), Subscription Fees already paid are not refundable and any outstanding Fees become immediately due and payable. If we terminate your Subscription without cause under clause 8, and you have paid applicable Subscription Fees in respect of the period after termination, we will refund,

on a pro-rata basis, any Subscription Fees you have paid to your original Payment Method within 7 business days.

- 11.4 **Pharmacy Fulfillment refunds** – you agree that once you have paid for a Partner Pharmacy to dispense a prescription that is the subject of your Fulfillment Request, you will not be able to request a refund for the Fulfillment Fee (unless the goods or services are faulty or you are otherwise entitled to a refund by Law).
- 11.5 **No refunds for missed appointments** – there may be instances where Updoc allows you to book an appointment with a Partner Practitioner. If you fail to attend, or you cancel within 48 hours before your appointment, you will forfeit the Service Fee for that appointment, and you may not be eligible to claim a Medicare rebate for that appointment.
- 11.6 **Refunds to original Payment Methods** – Despite anything in the Terms, refunds under these Terms are made to your original Payment Method. If you are unable to provide the details of your original Payment Method, we will provide you with credit up to the value of the refund amount that you can apply to a One-off Fee or Subscription Fee and that will expire 12 months from the date of issue.

## 12. Discounts

---

Updoc may provide discounts for some or all of the Services and for specific users of the Updoc Platform under particular circumstances (**Discount Codes**). You agree that: (a) Discount Codes do not constitute a representation or guarantee that a Partner Practitioner will provide a Service or Health Outcome to you; and (b) we may terminate any one or more Discount Code at its discretion without notice to you. Notwithstanding anything to the contrary, all Discount Codes will only apply to One-off Fees and Subscription Fees and will not apply to any other fees (including Fulfillment Fees).
