

Locate the Stamp on Bottom of the Vessel

The date of manufacture is located in a stamp on the bottom of the extinguisher vessel. Centered on one long edge of the base of the extinguisher is the stamp, reading:

T585PSI-##KMK

T585PSI refers to a test pressure of 585 psi

refers to the year of manufacture for example:

T585PSI-26KMK reflects manufacturing year of 2026

KMK is a quality control mark
