WHY ITCHA MTN WE DO THINGS THE OLD FASHIONED WAY

We try to do things the old fashioned way when it comes to our hunting trips. From canvas tents, to guides that have made their life's commitment to earning a living off the back of a horse. We insist on the ideal that hunting is a privilege not a right, and that you treat every person as you would have them treat you. We are a non-bulls__t outfit and we commit to giving our clients exactly what we told them they were getting. Honesty and integrity are what we stand for and insist our personnel do the same. We believe that "you come as clients and leave as friends" and the high amount of our repeat clientele proves just that. - Stewart
