

Get teaching experience with an internship

A teaching internship can help you to understand what it's really like in the classroom. To apply for this opportunity:

- ✓ you need to be in your second, third or final year of an undergraduate degree, or studying towards a master's degree in one of the following: chemistry, computing, design and technology, languages, maths, physics
- ✓ be available from Monday 15th June 2026 for 3 weeks

During the internship, you will:

- earn up to £455 per week
- shadow and observe
- support learning
- get involved
- lead the way
