

Dear All,

Please see below a list of people who have done Impact Leaders. I'm looking to approach 4-5 of them to present their project at the Lambeth Heads network meeting on **10th June** (10.45-11.50). It will be 10 minutes to present and 5 minutes to take questions repeated 3 times.

Please can you let me know who you think would be good for me to approach (e.g. could present well and has had an impact in your school), if you are happy to release them.

Thank you,

Sarah
