Subject: Internship for Young People interested in Music
Attachments: Flyer - INTERNSHIP @Influential Music.jpg; Report, Influential Music Summer Internship 2024.pdf

Do you have any young people who would you like to join this..

Our next **internship starts Wednesday 1st April** and every Wednesday after for 8 weeks, 12pm-6pm.

Referrals can be made directly to us. Please ask your young people to forward a CV and covering letter *Referencing: Apr/May Internship*

We have an **Internship Open Day, happening this Friday 27th March** at 6.30pm on Teams, if any young people or yourself would like join, to find out more details about the internship and ask any questions.

Full details below..

We're pleased to share details of **Influential Music's Internship Programme** — a targeted support initiative designed to help young people move into positive outcomes such as employment, training, apprenticeships or further education in music.

Influential Music's Internship Programme

The programme supports young peoples journey towards a chosen pathway in the music industry.

Activities include:

- Initial school talks, introducing employer and programme
- Career taster and open days, online and in-person
- Work experience via an Influential Music internship
- Professional mentoring, from industry executives
- Employability skills training
- Part-time and self-employment job opportunities

AJ Haseley School Talk

These in-person talks, supported by secondary, sixth-form, colleges and university's provide insight about the music industry, AJ's personal journey in music, music career tips plus available placements, training and jobs at Influential Music. It's ideal for outsourced, institution support and young people who are unsure of their next steps or just curious about music careers.

Internship Open Day

This in-person event, supported by space provider will provide insights into available placements,

jobs, the application process, top tips for applying and how to get applications noticed. It's ideal for young people who are unsure of their next steps or just curious about music careers with long-term potential.
