

Dear Parents,

Welcome to the latest edition of the ***Parent Pathways* Newsletter** from **Whatuni** and the **Complete University Guide**.

This month, we're sharing:

- The newly announced [Whatuni Student Choice Awards \(WUSCAs\) Winners](#)
- The launch of the **Complete University Guide** [2027 University League Tables](#)

Student-Voted University Winners Announced

The results of the **Whatuni Student Choice Awards (WUSCAs) 2026** are now available.

Unlike traditional rankings, the **WUSCAs** are based entirely on **real student reviews** and **experiences**, offering valuable insight into what university life is actually like.

This year, more than **42,000 student reviews** were submitted, recognising universities across 12 categories, including:

- Teaching quality
- Facilities
- Career prospects
- Student life

For students considering their next steps, these awards provide an authentic perspective that can help them make more informed and confident decisions about where to study.

CUG 2027 University League Tables are now live!

The latest **Complete University Guide University League Tables for 2027** entry are now available, giving students an early opportunity to research and compare universities across the UK.

The 2027 edition includes:

- Overall rankings for 130 UK universities
- 74 subject-specific league tables
- A specialist Performing Arts table
- Enhanced filtering tools to compare universities by:
 - Student satisfaction
 - Graduate prospects
 - Entry standards
 - Location and region

Every student has different priorities when choosing a university. Whether they are focused on academic reputation, course quality, location, graduate outcomes or campus experience, the league tables can help them identify the universities that best match their goals and aspirations.

Understanding the Cost of University Life

When making university decisions, it's important to consider more than just the course itself.

From accommodation and transport to food and everyday expenses, living costs can vary significantly across the UK. Our **Cost of Living Calculator** helps students compare locations and understand the potential financial impact of their choices before making a final decision.

This can be especially useful as students prepare for results day, Clearing, and the transition to university life.
