### **This year's LEGO brick contest dives into all things Nickelodeon from the 90s!**

From sticky hands, furbys, gameboys, rugrats, and slime — we want to see your best brick-built version of NICK fun. Inspired by our 90th year celebrating Water Carnival here in Detroit Lakes, it's time to be a kid again and embrace the fun of being young. Put on those Saturday morning cartoons, grab a bowl of cereal and build one COOL LEGO brick piece to compete this year!

Please make sure to fill out, print, and bring this form with your **completed LEGO brick build made ahead of time**. Your DL Jaycees and our special judges from Apex Engineering can not wait to see what you come up with!
