DSCSA is being enforced. Get compliant today!

Compliance is crucial. State Boards of Pharmacy are conducting audits, insurance companies are raising rates if you lack DSCSA systems, and PBMs are enforcing full compliance with potential penalties. Don't risk patient safety, jail time, increase in liability insurance, license suspension, fines, or PBM clawbacks. Sign up for Pharmacy Pro today!

One Scan to Feed Them All

One scan to deliver data to all of your connected systems ensuring synchronization across the operation.
