

## Exhibit at the Logistics Forum.

LSPedia invites our partners to participate in an exclusive, high-impact gathering of pharmaceutical supply chain leaders. This curated event brings together manufacturers, distributors, health systems, and dispensers for meaningful conversations around traceability, compliance, and logistics innovation.

 August 19-21, 2026

 The Townsend Hotel in Birmingham, MI

 ~50 attendees

### A different kind of event

Designed for meaningful connection, not crowded trade show noise, the LSPedia Logistics Forum brings together a select group of senior leaders for focused, high-value engagement.

- > ~50 senior-level attendees for a more curated experience
- > Direct access to LSPedia customers, partners, and key decision-makers
- > Collaborative, discussion-driven environment—not booth traffic
- > Built for real relationship building across the pharma ecosystem
- > Showcase your solutions in a highly targeted setting
- > Engage in deeper, more productive conversations that move business forward
