- 3.3. **Effect of Expiration or Termination.**
- 3.3.1. Upon termination or expiration of an Order, Customer will cease all use of Products listed in such Order.  - 3.3.2. While Customer has access to the Product, Customer may use the data export tools made available to Customer by Affinity via the Product to export Customer Data in a commonly readable format (i.e. CSV). Within forty-five (45) days of termination or expiration of the applicable Order, Affinity will delete Customer's instance of the Product, including Customer Data contained therein. Customer acknowledges that Customer will, after such deletion, permanently lose access to any such Customer Data.

4. FEES; PAYMENT TERMS.

- 4.1. **Payment.** Customer agrees to pay Affinity (in US Dollars) the fees indicated in each applicable Order within the payment period set forth in such Order. Fees are non-refundable (except as expressly set forth in this MSA) and non-cancellable. Any late payments may be subject to: (i) a service charge equal to 1.5% per month of the amount due or the maximum amount allowed by law, whichever is less; (ii) suspension of Customer's access to the Product upon email to the Master Email; and (iii) reimbursement of reasonable costs (including, but not limited to, reasonable attorneys' fees) where Affinity is required

Unless otherwise stated in an Order, fees for each Renewal Term will be equal to the fees payable during the immediately preceding year plus an uplift of: (i) up to five percent (5%); or (ii) greater than five percent (5%), provided Affinity gives Customer at least sixty (60) days' notice of such increase prior to the end of the then-current Subscription Term. Recipient and its Representatives shall use such Confidential Information only for the purpose for which it was disclosed and shall not use or exploit such Confidential Information for its own benefit or the benefit of another without the prior written consent of Discloser. Each Party will be responsible for the actions and omissions of its Representatives and shall protect the other Party's Confidential Information in the same manner as it protects its own valuable confidential information, but in no event shall less than reasonable care be used. Recipient shall promptly notify Discloser upon becoming aware of any unauthorized access or disclosure of Discloser's Confidential Information.
- 5.2. **Exclusions.** Information will not be deemed Confidential Information hereunder if such information: (i) is known prior to receipt from Discloser without any obligation of confidentiality; (ii) becomes known to Recipient directly or indirectly from a source other than one having an obligation of confidentiality to Discloser; (iii) becomes publicly known or otherwise publicly available, except through Recipient's (or its Representatives') breach of this MSA; or (iv) is independently developed by Recipient without use of Discloser's Confidential Information. Recipient may disclose Confidential Information pursuant to the requirements of applicable law, legal process, or government regulation, provided that it gives Discloser reasonable prior written notice (if legally permitted) to permit Discloser to contest such disclosure, and such disclosure is otherwise limited to the required disclosure. Any information, data, records, or other such materials made available by Affinity as part of the Product remain the exclusive property of Affinity.
- 5.3. **Injunctive Relief.** Notwithstanding any other provision of this MSA, both Parties acknowledge that any use of Discloser's Confidential Information in a manner inconsistent with the provisions of this MSA may cause Discloser irreparable and immediate damage for which remedies other than injunctive relief may be inadequate. Therefore, both Parties agree that, in addition to any other remedy to which Discloser may be entitled hereunder, at law or equity, Discloser shall be entitled to seek an injunction or injunctions (without the posting of any bond and without proof of actual damages) to restrain such use in addition to other appropriate remedies available under applicable law.

- 6.2. **Performance Warranty.** Affinity represents and warrants to Customer that during the applicable Subscription Term, when used in accordance with this MSA and the Documentation, the Products will operate in substantial conformity with the

Documentation. In response to a performance warranty claim, Affinity will either (a) use commercially reasonable efforts to provide Customer with an error-correction or work-around that corrects the reported non-conformity or (b) replace the non-conforming Products with conforming Products. If the parties determine such remedies to be impracticable within a reasonable period of time, either Party may terminate the part of the Order applicable to the non-conforming Products, and Affinity will refund any prepaid and unused fees for the non-conforming Products.

- 6.3. **Disclaimer.** AFFINITY DOES NOT REPRESENT OR WARRANT THAT PRODUCTS WILL BE ERROR-FREE, OR THAT ERRORS IN PRODUCTS WILL BE CORRECTED, OR THAT THE OVERALL SYSTEM THAT MAKES PRODUCTS AVAILABLE (INCLUDING BUT NOT LIMITED TO: THE INTERNET, OTHER TRANSMISSION NETWORKS, AND CUSTOMER'S LOCAL NETWORK AND EQUIPMENT) WILL BE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. - 7.1. **MUTUAL CONSEQUENTIAL DAMAGE EXCLUSION.** NEITHER PARTY WILL BE LIABLE TO THE OTHER OR ANY THIRD PARTY FOR LOSS OF PROFITS OR FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND/OR DATA) IN CONNECTION WITH THE PRODUCT, OR THE PERFORMANCE OF ANY OBLIGATIONS UNDER THIS MSA, EVEN IF IT IS AWARE OF THE POSSIBILITY OF THE OCCURRENCE OF SUCH DAMAGES. CUSTOMER EXPRESSLY ACKNOWLEDGES AND AGREES THAT THERE IS SUBSTANTIAL UNCERTAINTY AS TO WHETHER ANY OF CUSTOMER'S PARTICULAR OPPORTUNITIES THAT IT MAY UPLOAD TO THE PRODUCT WILL OR WILL NOT CLOSE, OR OTHERWISE PROVIDE A BENEFIT TO CUSTOMER. AS SUCH, AT NO TIME WILL AFFINITY BE LIABLE FOR LOST PROFITS OR LOST OPPORTUNITIES OF CUSTOMER.
- 7.2. **LIABILITY CAP.** EXCEPT FOR WILLFUL MISCONDUCT, FRAUD, GROSS NEGLIGENCE OR A PARTY'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 9 (INDEMNIFICATION) THE TOTAL CUMULATIVE LIABILITY OF EITHER PARTY TO THE OTHER PARTY FOR ANY AND ALL CLAIMS AND DAMAGES UNDER THIS MSA, WHETHER ARISING BY STATUTE, CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE FEES PAID OR PAYABLE BY CUSTOMER TO AFFINITY UNDER THE ORDER FOR THE PRODUCT THAT FORMS THE SUBJECT OF THE CLAIM DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM. THE PROVISIONS OF THIS MSA ALLOCATE RISKS BETWEEN THE PARTIES. THE PRICING SET FORTH IN EACH ORDER REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN, AND THIS LIMITATION REPRESENTS A MATERIAL TERM UPON WHICH AFFINITY RELIED IN ENTERING INTO THIS MSA.

8. DATA.

- 8.1. **Affinity Data.** Customer acknowledges and agrees that as between Affinity and Customer, all right, title and interest in and to the Product, Services, and, in each case, including all modifications and configurations thereto, all Affinity Data and all of Affinity's proprietary technology, including, without limitation, all software, products, processes, algorithms, user interfaces, know-how, aggregate data, data warehouses, source code, plug-ins, integrations, data, techniques, designs and other tangible or intangible technical material or information made available to Customer by Affinity in providing or in connection with the Product and all derivatives thereof are and shall remain exclusively owned by Affinity or its licensors (as applicable). Customer is expressly prohibited from using the Affinity Data for any purpose except those expressly permitted in this MSA.

Affinity may not sell or otherwise improperly share Customer Data from the Product.
- 8.3. **Data Protection.** In the event and to the extent that Affinity is a Processor of Personal Data (as defined in the DPA) and such processing is subject to certain Data Protection Laws (as defined in the DPA), the DPA is hereby incorporated into this MSA. Affinity will process Customer Data in accordance with the DPA, this MSA, and applicable law.
- 8.4. **Security.** Affinity maintains and deploys security and privacy processes and practices which take into account the nature and type of data that Customer is reasonably contemplated by this MSA to upload (such as contact information, prospects, and others) and will protect Customer Data using such processes and practices. Further, Affinity maintains its Trust Center (located at trust.affinity.co or such other URL or address as provided from time to time) where Customer may request

Affinity further reserves the right to suspend access to any particular user or account, delete any account generated by a user, and otherwise prevent the syncing of data for a particular user that Affinity knows or reasonably believes to be in violation of this MSA. Affinity reserves the sole discretion to permit or deny syncing from any particular email, domain, or user.
- 8.6. **Particular Types of Information.** The Product does not require, nor does Affinity request or permit: (i) any protected health information ("**PHI**") governed by the Health Insurance Portability and Accountability Act and its implementing regulations ("**HIPAA**"); (ii) any non-public consumer personally identifiable information or financial information governed by the Gramm-Leach-Bliley Act ("**GLBA**"); (iii) sensitive special categories of personal data as contemplated by Article 9 of GDPR; or (iv) payment card information covered by the Payment Card Industry Data Security Standards ("**PCI DSS**"). Customer acknowledges that Affinity does not take separate steps to ensure the Products are specifically compliant with HIPAA, GLBA, PCI DSS, or equivalent laws and regulations. All obligations of the aforementioned regulations remain solely with Customer. The Products are not intended for use with minors (as defined by applicable law), nor are minors permitted to use the Products.

9. INDEMNIFICATION.

- 9.1. **Affinity Indemnification.** Affinity will defend Customer, its Affiliates (which are subject to this MSA) and their respective officers, directors, and employees (collectively, the "**Customer Indemnitees**"), against any claim, demand, suit, or proceeding made or brought against Customer by a third party alleging that the Product infringes upon such third party's intellectual property rights (a "**Claim Against Customer**"), and will indemnify Customer Indemnitees from any damages (including reasonable attorney fees and costs) finally awarded against any of Customer Indemnitees as a result of, or for, amounts paid by under a court-approved settlement of a Claim Against Customer. Affinity's obligations in this Section do not cover Claims Against Customer to the extent such claims arise from: (i) any products, services, technology, materials, or data not created or provided by Affinity (including without limitation any Customer Data); (ii) any part of the Product made in whole or in part in accordance to Customer specifications; (iii) any modifications made after delivery by Affinity; (iv) any combination with other products, processes, or materials not provided by Affinity (where the alleged damages, costs or expenses arise from or relate to such combination); (v) Customer continuing the allegedly infringing activity after being informed of modifications that would avoid the alleged infringement; or (vi) Customer's use of the Product is not strictly in accordance with this MSA or any Documentation.
- 9.2. **Customer Indemnification.** Customer will defend Affinity, its Affiliates and their respective officers, directors, employees, and agents (collectively, the "**Affinity Indemnitees**") against any claim, demand, suit or proceeding made or brought against any or all of the Affinity Indemnitees by a third party that: (i) alleges that Customer Data, or any use thereof, infringes the intellectual property rights or other rights of any third party, or has caused harm to a third party; (ii) arises out of Customer's breach of Section 8 (Data); or (iii) Customer's misuse of the Product (each, a "**Claim Against Affinity**"), and will indemnify the Affinity Indemnitees from any damages, reasonable attorney fees, and costs finally awarded against the Affinity Indemnitees as a result of, or for any amounts paid under a court-approved settlement of a Claim Against Affinity.
- 9.3. **Indemnification Procedure.** Each Party's obligation to indemnify the other Party under this Section 9 (Indemnification) is conditioned on the indemnified Party: (i) promptly notifying the indemnifying Party in writing of any claim, suit or proceeding for which indemnity is claimed; (ii) allowing the indemnifying Party to solely control the defense of any claim, suit, or proceeding, and all negotiations for settlement; provided that the indemnifying Party shall not settle any claim that requires the indemnified Party to admit fault or that otherwise binds the indemnified Party without the indemnified Party's prior written consent (such consent not to be unreasonably withheld or delayed); and (iii) giving the indemnifying Party reasonable assistance in the defense and settlement of any claim, suit, or proceeding for which indemnity is claimed, at the indemnifying Party's expense.
- 9.4. **Sole Remedy.** This Section states the indemnifying Party's sole liability to, and the indemnified Party's exclusive remedy against, the other Party for any type of indemnity or defense claim described in this Section. For further clarity, if a claim is

indemnified or defended hereunder it cannot then be claimed as damages separately (including, but not limited to, damages to a Customer's Affiliate).

- 10. EVALUATION.** If Affinity provides a Product as a trial, evaluation, beta version, or proof of concept, or otherwise at no charge, then the following terms shall apply to such Product and take precedence in the event of any inconsistency between this Section 10 (Evaluation) and any other term or condition in this MSA: (a) Affinity grants Customer a worldwide, non-exclusive, revocable, non-transferable, non-sublicensable right to use the Product during the term and within the usage limits identified by Affinity solely for Customer's internal evaluation purposes; (b) the following Sections of this MSA shall not apply: (i) Section 9.1 (Affinity Indemnification); and (ii) Affinity's warranties in Section 6 (Warranties); (c) to the maximum extent permitted by applicable law, the Products are provided "as is" and Affinity disclaims all obligations or liability, including any statutory or implied warranty obligations, and in any event, Affinity's aggregate liability shall not exceed US \$100.00; and (d) in addition to (a) to (c) above, for any Product or feature made available as a beta version: (i) the beta Product is not an official product and has not been commercially released for sale by Affinity; (ii) the beta Product may not operate properly, be in final form, or fully functional; (iii) the beta Product may contain errors, design flaws, or other problems; (iv) Affinity is under no obligation to release a commercial version of the beta Product; (v) Customer's use of the beta Product shall be for evaluation and feedback purposes only.

If the Parties cannot come to a resolution, the Parties shall each select a mediator and those mediators shall select a third mediator who will mediate the dispute. The costs and expenses of the mediator shall be shared equally by the Parties. If the dispute is not resolved by mediation, the dispute shall be settled in the federal and state courts sitting in , which the Parties hereby agree will have proper and exclusive jurisdiction and venue with respect to any disputes arising from or related to the subject matter of this MSA and the Parties expressly consent to personal jurisdiction in such venue, provided that either Party may seek injunctive relief in any court of competent jurisdiction.

Customer acknowledges and agrees that the Products may provide results and conclusions based on facts, assumptions, data, material, and other information that Affinity has not independently investigated or verified. All rights and obligations of the Parties that by their nature are reasonably intended to survive such termination or expiration will survive termination or expiration of each Order, including, without limitation, restrictions, accrued rights to and obligations of payment, confidentiality obligations, intellectual property rights, warranty disclaimers, and limitations of liability.
- 11.14. Waiver; Severability; Changes. Performance of any obligation required by a Party hereunder may be waived only by a written waiver signed by an authorized representative of the other Party, which waiver shall be effective only with respect to the specific obligation described therein. The failure of either Party to exercise any of its rights under this MSA will not be deemed a waiver or forfeiture of such rights. The invalidity or unenforceability of one or more provisions of this MSA will not affect the validity or enforceability of any of the other provisions hereof, and any invalid or unenforceable provision will be limited or eliminated to the minimum extent necessary so that this MSA will otherwise remain in full force and effect and enforceable. Any changes to this MSA must be in writing and signed by each party’s authorized representatives.
