#### **Lunch**

#### **Workshop concurrent session 1**

*Once workshops begin, delegates cannot change rooms. Note: Streams are repeated following afternoon tea*

#### **Stream 1: Vaccine safety**

- Smarter safety: Where we are at with vaccine incident reporting
- From error to insight: Strengthening immunisation recording, a case study
- Chilled but not complacent: Cold chain case reflections
- Tracking the signals: CARM reports & vaccine Safety 2024

## DRAFT WORKSHOP PROGRAMME continued

### Stream 2: Communication

- Say it with confidence: Tools for better vaccine conversations
- Facts vs fiction: Cutting through the noise
- Answering with impact: FAQs and where to find the facts
- From the frontline: Stories that shift perspectives

### Stream 3: Strengthening foundations

- Vaccine administration hot topics
- Into the skin: Introduction to intradermal
- Catch-up clinic: From basics to brain-benders
- Targeted protection, vaccines for special groups

### Stream 4: VHW and VHW supervisors only (*runs for the whole afternoon*)

This session empowers VHWs with clear, practical knowledge – covering everything from measles readiness and pregnancy protection to administration skills, safety, and confident conversations – while sharing real stories that inspire pride, purpose and a bold step into Stage 2

### Refreshment break

### Workshop Concurrent Session 2

*Repeat of Workshop concurrent session 1. Once workshops begin, delegates cannot change rooms.*

*Note: Stream 4 is for VHW and VHW supervisors only - full afternoon block*

### Plenary Session

Workshop ends at 5.30pm, followed by drinks and nibbles
