

IMAC reflection form - National Immunisation Forum

Education component 3 hours

Please complete this form after attending the National Immunisation Forum as a reflection of your learning and keep with your portfolio. Certificates are not issued for online education attendance.

Your name: _____

NIF date: _____

Reflection date: _____

The following is provided as a general guide for your course reflection and is optional.

What did you find helpful about the topics discussed?	
What did you learn? Will you share your findings with colleagues?	
What were the key issues, updates or challenges discussed at the regional immunisation forum specifically held for Immunisation and Cold Chain Coordinators?	
Did this education stimulate further questions or lead to further activities such as use of new resources or processes? If so what/why?
