

# Quick access to resources for vaccinators

There are a wide range of resources available for vaccinators.

The links below will help you to check you are using up-to-date resources that are most appropriate for the vaccines you administer and the community you serve.

Consider that literacy levels and language skills may vary. Ensure you know how to order resources and how to access translator services, to accommodate the needs of all individuals.

<b>Helpful resources</b>	
<b>HealthEd</b>  <b>HealthEd</b> provides free resources from New Zealand health organisations to support conversations with consumers.	<b>After your child is immunised</b>  Information for parents and caregivers about what may happen after their child is immunised, and what they can do to help. <a href="https://tinyurl.com/5n7uvk3w">tinyurl.com/5n7uvk3w</a>  <b>After your immunisation</b>  Information for teenagers and adults about what may happen after they are immunised, and what they can do to help with any symptoms. <a href="https://tinyurl.com/mwykk56w">tinyurl.com/mwykk56w</a>  <b>NIS reference card</b>  A summary of vaccine information for vaccinators and health professionals. Shows images of the vaccines given at each age, plus the range of diseases covered by the immunisation schedule. <a href="https://tinyurl.com/yha5d9wr">tinyurl.com/yha5d9wr</a>
<b>Printed resources</b>	Printed copies of some resources can be ordered for free via the <a href="#">Bluestar portal</a> once you have registered.
<b>National Immunisation Programme (NIP)</b>	The National Immunisation Programme team have resources for health professionals, including social media tiles and electronic copies of resources. Use this link to the view the Dropbox - <a href="https://tinyurl.com/3jaxkgnb">tinyurl.com/3jaxkgnb</a>  <b>To create a child's personalised immunisation schedule</b> , use this link - <a href="https://tinyurl.com/zwepghc8">tinyurl.com/zwepghc8</a>
<b>IMAC resources</b>	<b>Subscribe to IMAC newsletter</b> <a href="https://tinyurl.com/4phmprmy">tinyurl.com/4phmprmy</a>  <b>Vaccines in pregnancy</b> <a href="https://tinyurl.com/5denwdmd">tinyurl.com/5denwdmd</a>  <b>Bexsero</b> <a href="https://tinyurl.com/mr37uunr">tinyurl.com/mr37uunr</a>
