## TAKE FREEDOM LAW SCHOOL COURSES, LIVE OR ON THE INTERNET!

Freedom Law School breaks new ground by becoming the first freedom organization to offer its classes LIVE ON THE INTERNET. On ~~December 2,~~ **2000 at 10AM, Pacific Time** we will begin our first class, using the law library. Freedom Law School was one of the very first freedom law organizations to have a web site and we are the **FIRST** to offer **LIVE INTERNET FREEDOM CLASSES**.

For those of you in Southern California, you can attend the classes **LIVE AT FREEDOM LAW SCHOOL** while we record the classes. If you live near San Francisco, San Jose, Phoenix or Las Vegas, your airline ticket round trip should be only around \$100. From Seattle, Portland or Salt Lake City your ticket should range between \$150 to \$250; From Dallas, Houston or Denver, between \$200 to \$300. The **Key Inn Motel** at (714) 832-3220 is a very short walk away from FLS and charges for its clean and comfortable rooms is under \$35 per night.

Your investment in regaining your Freedom, liberty and property is only **\$80 per day, prepaid or \$100 at door**. ~~Multiple class discounts is available as well.~~ However, you do not have to come to the live classes at Freedom Law School in California. You can also take the classes live through the Internet from the comfort of your own home in your pajamas if you wish.

The seminar investment price is the same. You give up the in person, face to face instruction, but save yourself some travel expenses and travel time. The choice is yours. **CHOOSE FREEDOM**. Sign up for your favorite classes **NOW**. See the enclosed schedule of classes.

Whether, you take the courses in person or on the Internet take them one way or another, **BEFORE** a government agency, such as the IRS decides to attack you. An ounce of prevention is worth a thousand pounds of cure.

# FREEDOM OPPORTUNITY PLAN

**Here is what the FREEDOM OPPORTUNITY is about and how you can qualify for it to reach YOUR financial prosperity and independence:**

**1) Become a FREEDOM FIGHTER.** Show YOUR commitment to freeing yourself from oppressive taxation and control through educated action by purchasing and studying the **COMPLETE FREEDOM PACKAGE** for \$2600. Now you qualify to receive **40%** commissions for sale of Freedom Law School courses.

**2) Purchase one or more FREEDOM INTRODUCTION PACKAGES (FIP).** FIP consists of the most powerful freedom awakening information available and contains the items below:

a) 40 audio tapes of Joe Banister, the ex-IRS Special Agent	@	\$ 2.50 each = \$100
b) 10 Video tapes " " " " " " " "	@	\$ 7.50 each = \$ 75
c) 10 Reports of Joe Banister on the Federal Income Tax	@	\$10.00 each = \$100
d) 10 C-Span debate videos on the illegality of the Income Tax	@	\$15.00 each = \$150
e) 25 FREEDOM OPPORTUNITY INFORMATION PACKETS	@	\$ 2.00 each = \$ 50
subtotal of \$475, plus \$25 Shipping and Handling,		<b>TOTAL = \$500</b>

**3) Schedule FREEDOM OPPORTUNITY MEETINGS (FOM)** at your home from 7:30 PM until 9:30 PM during weekdays or anytime during the weekends. After a brief 5-minute introduction of yourself and the FREEDOM OPPORTUNITY, introduce Joe Banister, then show the Joe Banister video. Let Banister educate them with the truth about the Income Tax fraud of the IRS. Close in 5 minutes after the Joe Banister video.

Offer your guests the opportunity to purchase one or more of any/all items of the FIP to further inform them of how the Federal government said, "legality of the Income Tax is not a high priority item" and they do not wish to "participate in any future conferences on the subject." Invite them to come to your house the following day to watch the C-Span Video. Now you give them the FREEDOM OPPORTUNITY INFORMATION PACKETS to take home.

**4) Sponsor a Freedom Law School Seminar (FLSS) with Peymon in your area.** The fee for having Peymon come to your town is \$2,000, plus expenses. You will get to split the door receipts 50 – 50 with FLS and instead of the usual 40% commission, you will get to keep 50% of course sales at the seminar. That is a 25% increase in YOUR commissions. Below are some possible seminar receipt projections:

When you have 40 people at the seminar, at an average of \$90 per person admission, you will keep \$1,800. Based on our previous experience, the seminar sales will be about \$20,000 (\$250 per person average.) **YOU get to keep \$10,000 of it. Not bad for starters is it?**

When you have 100 people at the seminar, at an average of \$90 per person admission, you will keep \$4,500. Based on our previous experience, the seminar sales will be about \$50,000. **YOU get to keep \$25,000, just for ONE seminar!! I know that is a realistic goal for many of you.**

Although the \$2,000 (plus costs) FLS seminar fee is a small price for the added percentage that you will receive, we will give YOU an even better deal for being a PIONEER FREEDOM FIGHTER! For any seminar that YOU schedule before June 1, 2001, we will reduce the seminar fee to **only \$1000** (plus costs.)

**5) Take the lead.** Join the Legal Defense Fund and mail YOUR First Amendment Offense/Defense Program to YOUR Federal Government Officials. Build your defense, while putting pressure on the politicians to live by their Oath to defend the Constitution from foreign and domestic enemies. Contact FLS for more details about these programs.

**6) Conduct Level 1 Course classes in YOUR area.** You learn by teaching. It is the best way to keep your mind fresh and better educate yourself. At the same time, you develop more respect and credibility with the people who have contact with you, distribute more courses and recruit others who want to become a FREEDOM FIGHTER like YOU.

**7) Develop 5 FREEDOM FIGHTERS** and YOU will keep 5% of their distribution. When YOU have developed 20 FREEDOM FIGHTERS, YOU will keep 10% of what your people have distributed. Your people will keep up to 50% and you keep up to 10% on top of that.

When each of YOUR 5 FREEDOM fighters distribute just one TOTAL FREEDOM PACKAGE per week, your share will be **\$500 per week**, while you are teaching and recruiting more FREEDOM FIGHTERS.

**8) Teach YOUR 20 FREEDOM fighters** to distribute just one TOTAL FREEDOM PACKAGE per week and your share will be **\$4,000 per week**, while you are teaching and recruiting more FREEDOM FIGHTERS.

Folks, that is **over \$200,000 per year, cash**, with no employer, no 1099 or W-2 hassles, no Slave Surveillance Numbers (SSN) to give out. YOU are paid by YOUR FREEDOM FIGHTERS right away, before Freedom Law School. Twenty people is not a huge organization to build. We will create further leadership and compensation possibilities as you continue to build an organization of FREEDOM FIGHTERS and expand FREEDOM and JUSTICE in America.

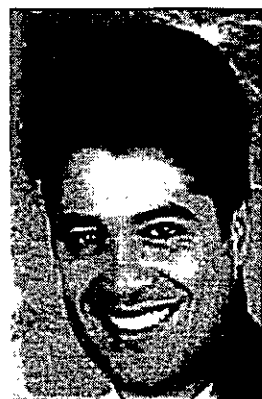

~~Others have built larger with far less effective freedom law material, no money back guarantee for the people and less generous revenue sharing plans.~~ A few weeks ago, I had a man call me who has been with a freedom oriented organization that had a minimal initial investment of \$1,250 at the first level, \$6,000 for the second level and \$36,000 for the third level. Do you know how hard it can be to recruit, motivate and keep people active with such a large investment?

Despite such a challenge, this man has developed 75 people in his organization and after I told him of the FREEDOM OPPORTUNITY's value to the people, and its potential to restore our rights and freedom, as well as its tremendous financial opportunities, he could not wait to come on board with us! Can YOU see why?

Now go back to step 1. Get YOUR COMPLETE FREEDOM PACKAGE for \$2,600, become a FREEDOM FIGHTER so YOU can be on your way to PERSONAL FREEDOM, FINANCIAL PROSPERITY and INDEPENDENCE NOW!

To start *Your* **FREEDOM OPPORTUNITY PLAN** send **\$2,600 CASH (NO CHECKS)** or blank postal money order (preferably by certified mail), plus \$100 S/H to:
