

Accessibility Statement

Accessibility Commitment

Premier Group Services (<https://www.pgs-cpa.com/>) is committed to making our website accessible and usable for people of all abilities, including individuals with disabilities. We strive to apply the relevant accessibility standards, such as the Web Content Accessibility Guidelines (WCAG) 2.1 and 2.2 Level AA, to ensure a more inclusive user experience. Accessibility is an ongoing effort and part of our core mission to serve all clients and visitors equitably.

Standards and Conformance

We aim to conform with the WCAG 2.1/2.2 AA standards to the best of our ability. Our accessibility efforts include structuring content logically, providing text alternatives for meaningful images, and ensuring compatibility with assistive technologies such as screen readers and keyboard navigation.

Known Limitations

Although we work to make all content and functionality accessible, there may be some areas that do not fully meet the current accessibility standards due to technical limitations or third-party content. Examples of potential limitations include:

- Some embedded content or plugins that are controlled by external providers may not fully support accessibility features.
- Certain documents (e.g., PDFs or downloadable files) might not be fully accessible unless remediated.
- New content added to the site may not yet have been fully evaluated for accessibility compliance.

We review and improve these areas over time as part of our ongoing accessibility efforts.
