# ABOUT CAMP BEAUMONT

For over 40 years, Camp Beaumont Day Camps have been creating unforgettable experiences for children in the UK, and we've since brought that same joy and adventure to Asia.

Much-loved by parents and families, our camps offer flexible, affordable, and high-quality programmes during the school holidays. But we're far more than just childcare – every camp is a place for children to discover, grow, and shine. Each day is filled with opportunities to learn new skills, make friends from around the world, and build confidence in a safe, supportive setting. Our camps are inclusive and welcoming for all children aged 3–15 years, offering a variety of exciting programmes including multi-activity adventures, STEAM camps, English immersive experiences, and residential programmes for older campers.

Children join us at our locations across Hong Kong, Singapore, Malaysia, and Thailand, all supported by our enthusiastic and caring team of leaders who make every day full of fun, laughter, and learning.

As a Camp Beaumont Volunteer, you'll be part of that team – helping to deliver engaging activities, inspire young campers, and create memories that last a lifetime.

## WHAT YOU WILL GAIN

Here's why working at summer camp could be the **best** decision you ever make.

### 1. BUILD REAL SKILLS FOR LIFE

As an activity group leader, you'll develop essential skills that last a lifetime. From leading groups and planning activities to solving problems on the spot, you'll gain practical experience in decision-making, organisation, and adaptability – all highly valued by employers.

### 2. MAKE LIFE-LONG FRIENDSHIPS

You'll live and work alongside people from across the globe, sharing unforgettable experiences together. From team challenges to exploring on days off, you'll form bonds that go beyond the summer, creating friendships that can last for years.

### 3. GROW IN CONFIDENCE

Leading groups and managing responsibilities will push you out of your comfort zone and help you trust your own abilities. By handling new situations and overcoming challenges, you'll grow in confidence both personally and professionally.

### 4. MAKE A DIFFERENCE

You'll have the opportunity to inspire and mentor campers, leaving a lasting impact on their summer experience. By supporting their growth and encouraging new skills, you'll contribute to a positive, inclusive, and fun community that truly benefits everyone involved.

### 5. RECONNECT WITH NATURE

Spend your days outdoors, away from screens and city life, and develop a deeper appreciation for the natural world. Being active in nature not only provides physical benefits but also improves mental wellbeing and fosters a sense of peace and balance.

## 6. GAIN A GLOBAL PERSPECTIVE

Working with campers and colleagues from diverse cultures exposes you to different traditions, languages, and ways of thinking. This experience broadens your worldview, enhances cultural awareness, and equips you with skills that are valuable in any future career or life path.

## 7. DEVELOP AS A LEADER

You'll strengthen your leadership skills by motivating and guiding groups of various ages and personalities. Handling conflict, delegating tasks, and inspiring others will help you become a confident and capable leader in both professional and personal settings.

## 8. SHARPEN YOUR COMMUNICATION SKILLS

From public speaking to active listening, your communication abilities will grow every day. Guiding activities, supporting campers, and collaborating with colleagues will help you communicate clearly, empathetically, and effectively.

## 9. HAVE SO MUCH FUN

Camp is a place full of energy, excitement, and adventure. You'll take part in games, challenges, and activities that make each day memorable, ensuring your summer is not only productive but also incredibly fun.

## 10. CHANGE LIVES (INCLUDING YOUR OWN)

Spend your days outdoors, away from screens and city life, and develop a deeper appreciation. As an activity group leader, you'll leave a lasting impact on campers by helping them explore, grow, and succeed. At the same time, you'll discover your own potential, build unforgettable memories, and experience personal growth that stays with you long after the summer ends.

**And the best part? You'll gain these skills in a fun, fast-paced, and rewarding environment that's way more exciting than a typical summer job.**
