To Whom It May Concern,

We are excited to announce the **first Annual LegacyMakers Gala**, taking place on **October 18, 2025!** This special evening will bring together supporters and friends who share our passion for building stronger families and restoring hope to future generations.

Today, many families are struggling. The family unit has often become a place of pain rather than peace, where forgiveness is replaced by resentment, and connection is lost in the noise of daily life. Marriages are strained, parents feel overwhelmed, and technology and outside influences are reshaping how we relate to one another. Issues like fatherlessness, divorce, and emotional disconnection are contributing to deeper societal challenges—from addiction and homelessness to anxiety, violence, and broken identity.

At LegacyMakers, we believe there's a better way. Our vision is to see families restored to the way it was intended, so that each generation would set it's hope anew on God. Our mission is to envision, encourage, and empower families to build a legacy they're proud of.

To support this mission, we are hosting a silent auction during the gala, and we are currently seeking donations of goods, services, or financial gifts. Every contribution helps us expand our reach to families, churches and individuals across the country who are longing for support, hope, and direction.

Donors will be recognized at the gala and in our event materials as a valued part of our mission. Gala Financial Gift Tier
