

Defending High-Stakes Product Claims

Halpern Voss runs a nationally recognized product liability and mass torts practice for companies under litigation pressure anywhere in the world. We take on the toughest mass torts, class actions, and multi-district cases head-on. Our first-chair trial lawyers have stood in the courtroom on the most complex product matters and walked out with defense verdicts and bellwether wins.

FROM OUR CLIENTS:

"They bring real depth at every level, and their judgment on how to get to the best outcome holds up across very different cases."

— GENERAL COUNSEL, CONSUMER HEALTH COMPANY

"They're the first call we make on mass torts. Diligent, fast to respond, and they keep the cost discipline tight."

— DEPUTY GC, MEDICAL DEVICE MANUFACTURER
