PRESENTER

Tom Kontio, RPh., CDE, CRE
Pharmacist

Tuesday, September 29th, 2026 at 7:00 PM

PRESENTER

Nishan Devani, MPharm, RPh.
Chairman of the Board, Devsan Systems Inc.
Vice President, Pharmacists' Association of Niagara Peninsula

By the end of this CE lesson participants should be able to:

1

Identify the clinical presentation and transmission of head lice.

2

Conduct a minor ailment assessment, including identifying differential diagnosis and red flags.

3

Evaluate pharmacological treatment option based on mechanism of action, efficacy, and resistance patterns.

4

Formulate a comprehensive prescribing and monitoring plan for patients.
